CITY OF NEWPORT PHONE SERVICE OUTAGES

April 17, 2024

The City is experiencing intermittent phone service issues at various facilities and is working with its phone service provider to locate the nature of the issue. The City has no clear estimated time of repair, but the provider is working with the IT Department to identify a solution as soon as possible. The email system is working properly.

If you need to reach the City of Newport via, please use the following emails
