**For Immediate Release**

The Newport Fire Department will be conducting live-fire wildland training this Saturday, July 2, 2016 in the area of SW Naterlin Drive between the U.S. Coast Guard station and the Yaquina Bay Bridge. The Drill will start at 9am and will continue through the afternoon. Fire apparatus will be in the area of SW Naterlin Drive but there will be no road or lane closures. Crews from multiple departments in Lincoln County will be participating in the training. For any questions, please contact the on-duty Captain at Newport Fire Department.
