HO! HO! HO!

Join us for an old fashioned Christmas Celebration. All of our decorations are in storage for construction so we have devised a different plan. We will have a tree trimming party with handmade decorations. Bring your own idea or get an idea here. Bring a White Elephant gift to exchange, a dish of your favorite food to share and have a wonderful time. We will also have a work shop to decorate a reusable shopping bag. You can make it for yourself or as a gift for someone else. We will be having drawings for gifts and prizes during our celebration. Please mark your calendar and bring a friend to help us make this a VERY MERRY CHRISTMAS!!!
