Any and all information provided by City and marked confidential, or identified as confidential in a separate writing, that becomes available to Consultant or its employees, Sub-Consultants, subcontractors or agents in the performance of this Agreement shall be deemed to be confidential information of City ("Confidential Information"). Any reports or other documents or items, including software, that result from Consultant's use of the Confidential Information and any Work Product that City designates as confidential are deemed Confidential Information. Confidential Information shall be deemed not to include information that: (a) is or becomes (other than by disclosure by Consultant) publicly known; (b) is furnished by City to others without restrictions similar to those imposed by this Agreement; (c) is rightfully in Consultant's possession without the obligation of nondisclosure prior to the time of its disclosure under this Agreement; (d) is obtained from a source other than City without the obligation of confidentiality; (e) is disclosed with the written consent of City; or (f) is independently developed by employees or agents of Consultant who can be shown to have had no access to the Confidential Information; or (g) is required to be disclosed by law, subpoena, or other court order.
- 2)** Consultant agrees to hold Confidential Information in strict confidence, using at least the same degree of care that Consultant uses in maintaining the confidentiality of its own confidential information, and not to copy, reproduce, sell, assign, license, market, transfer or otherwise dispose of, give, or disclose Confidential Information to third parties or use Confidential Information for any purposes whatsoever other than the provision of Services to City under this Agreement, and to advise each of its employees, Sub-Consultants, subcontractors and agents of their obligations to keep Confidential Information confidential. Consultant acknowledges and agrees that the covenants contained herein are necessary for the protection of the legitimate business interests of City and are reasonable in scope and content.

5. Assignment/Delegation

Neither party shall assign or transfer any interest in or duty under this Agreement without the written consent of the other. If City agrees to assignment of tasks to a subcontractor, Consultant shall be fully responsible for the acts or omissions of any subcontractors. Any approval of a subcontractor does not create a contractual relationship between the subcontractor and City.

6. Consultant is Independent Contractor

- A. The City's project director, or designee, shall be responsible for determining whether Consultant's work product is satisfactory and consistent with this Agreement, but Consultant is not subject to the direction and control of the City. Consultant shall be an independent contractor for all purposes and shall not be entitled to compensation other than the compensation provided for under Section 3 of this Agreement. The City's acceptance of the work product as satisfactory does not relieve the Consultant from responsibility for any errors in the work product.
- B. Consultant is an independent contractor and not an employee of City. Consultant acknowledges Consultant's status as an independent contractor and acknowledges that Consultant is not an employee of the City for purposes of workers compensation law, public employee benefits law, or any other law. All persons retained by Consultant to provide services under this Agreement are employees of Consultant and not of City. Consultant acknowledges that it is not entitled to benefits of any kind to which a City employee is entitled and that it shall be solely responsible for workers compensation coverage for its employees and all other payments and taxes required by law. Furthermore, in the event that Consultant is found by a court of law or an administrative agency to be an employee of the City for any purpose, City shall be entitled to offset compensation due, or to demand repayment of any amounts paid to Consultant under the terms of the Agreement, to the full extent of any benefits or other remuneration Consultant receives (from City or third party) as a result of the finding and to the full extent of any payments that City is required to make as a result of the finding.
- C. The Consultant represents that no employee of the City or any partnership or corporation in which a City employee has an interest, has or will receive any remuneration of any description from the Consultant, either directly or indirectly, in connection with the letting or performance of this Agreement, except as specifically declared in writing.

- A. The City has relied upon the professional ability and training of the Consultant as a material inducement to enter into this Agreement. Consultant represents to the City that the work under this Agreement will be performed in accordance with the professional standards of skill and care ordinarily exercised by members of the engineering profession under similar conditions and circumstances as well as the requirements of applicable federal, state and local laws, it being understood that acceptance of an Consultant's work by the City shall not operate as a waiver or release. Acceptance of documents by City does not relieve Consultant of any responsibility for design deficiencies, errors or omissions.
- B. Consultant shall defend, hold harmless and indemnify the City, its officers, agents, and employees from all claims, suits, or actions to the extent caused by the alleged negligent or otherwise wrongful acts or omissions of Consultant or its subcontractors, sub-Consultants, agents or employees under this Agreement. This indemnification does not extend to indemnification for negligent or otherwise wrongful acts or omissions of the City. If any aspect of this indemnity shall be found to be illegal or invalid for any reason whatsoever, the illegality or invalidity shall not affect the validity of the remainder of this indemnification.
- C. Consultant shall save and hold harmless the City, its officers, agents, and employees from all claims, suits, or actions and all expenses incidental to the investigation and defense thereof, to the extent caused by the professional negligent acts, errors or omissions of Consultant or its subcontractors, sub-Consultants, agents or employees in performance of professional services under this Agreement. Any design work by Consultant that results in a design of a facility that does not comply with applicable laws including accessibility for persons with disabilities shall be considered a professionally negligent act, error or omission.
- D. As used in subsections B and C of this section, a claim for professional responsibility is a claim made against the City in which the City's alleged liability results directly or indirectly, in whole or in part, from the quality of the professional services provided by Consultant, regardless of the type of claim made against the City. A claim for other than professional responsibility is a claim made against the City in which the City's alleged liability results from an act or omission by Consultant unrelated to the quality of professional services provided by Consultant.

8. Insurance

Consultant and its subcontractors shall maintain insurance acceptable to City in full force and effect throughout the term of this Agreement as detailed in this section. The insurance shall cover all risks arising directly or indirectly out of Consultant's activities or work hereunder, including the operations of its subcontractors of any tier.

Out-of-state employers must provide Oregon workers' compensation coverage for their workers who work at a single location within Oregon for more than 30 days in a calendar year. Consultants who perform work without the assistance or labor of any employee need not obtain such coverage.

E. Additional Insured Provision

The Commercial General Liability Insurance Policy shall include the City its officers, directors, and employees as additional insureds with respect to this Agreement. Coverage will be endorsed to provide a per project aggregate.

F. Extended Reporting Coverage

If any of the liability insurance is arranged on a "claims made" basis, Extended Reporting coverage will be required at the completion of this Agreement to a duration of 24 months or the maximum time period the Consultant's insurer will provide if less than 24 months. Consultant will be responsible for furnishing certification of Extended Reporting coverage as described or continuous "claims made" liability coverage for 24 months following Agreement completion. Continuous "claims made" coverage will be acceptable in lieu of Extended Reporting coverage, provided its retroactive date is on or before the effective date of this Agreement. Coverage will be endorsed to provide a per project aggregate.

G. Notice of Cancellation

The parties agree that Consultant's coverage shall be primary to the extent permitted by law. The parties further agree that other insurance maintained by the City is excess and not contributory insurance with the insurance required in this section.

K. Copy of Policy or Certificate of Insurance

A cross-liability clause or separation of insureds clause will be included in the general liability policy required by this Agreement. Consultant shall furnish City with at least 30-days written

notice of cancellation of, or any modification to, the required insurance coverages. A copy of each insurance policy, certified as a true copy by an authorized representative of the issuing insurance company, or at the discretion of City, in lieu thereof, a certificate in form satisfactory to City certifying to the issuance of such insurance shall be forwarded to:

169 SW Coast Highway
Newport, Oregon 97365

Thirty days cancellation notice shall be provided City by certified mail to the name at the address listed above in event of cancellation or non-renewal of the insurance. The procuring of the required insurance shall not be construed to limit Consultant's liability under this agreement. The insurance does not relieve Consultant's obligation for the total amount of any damage, injury, or loss caused by negligence or neglect connected with this Agreement.

9. Termination Without Cause

At any time and without cause, City shall have the right in its sole discretion, to terminate this Agreement by giving notice to Consultant. If City terminates the Agreement pursuant to this section, Consultant shall be entitled to payment for services provided prior to the termination date.

No modification of this Agreement shall be effective unless and until it is made in writing and signed by both parties.

14. Force Majeure

Neither City nor Consultant shall be considered in default because of any delays in completion and responsibilities hereunder due to causes beyond the control and without fault or negligence on the part of the parties so disenabled, including but not restricted to, an act of God or of a public enemy, civil unrest, volcano, earthquake, fire, flood, epidemic, quarantine restriction, area-wide strike, freight embargo, unusually severe weather or delay of subcontractors or supplies due to such cause; provided that the parties so disenabled shall within ten days from the beginning of such delay, notify the other party in writing of the cause of delay and its probable extent. Such notification shall not be the basis for a claim for additional compensation. Each party shall, however, make all reasonable efforts to remove or eliminate such a cause of delay or default and shall, upon cessation of the cause, diligently pursue performance of its obligation under the Agreement.

15. Non-Discrimination

18. Governing Law

The Agreement is subject to Oregon law. Any action or suits involving any question arising under this Agreement must be brought in the appropriate court in Lincoln County, Oregon.

If the parties cannot agree on rules within ten (10) days after the notice of demand, the presiding judge of the Lincoln County Circuit Court will establish rules to govern the arbitration.

A claim by Consultant arising out of, or relating to this Contract must be made in writing and delivered to the City Administrator not less than 30 days after the date of the occurrence giving rise to the claim. Failure to file a claim with the City Administrator within 30 days of the date of the occurrence that gave rise to the claim shall constitute a waiver of the claim. A claim filed with the City Administrator will be considered by the City Board at the Board's next regularly scheduled meeting. At that meeting the Board will render a written decision approving or denying the claim. If the claim is denied by the Board, the Consultant may file a written request for arbitration with the City Administrator. No demand for arbitration shall be effective until the City Board has rendered a written decision denying the underlying claim. No demand for arbitration shall be made later than thirty (30) days after the date on which the

City has rendered a written decision on the underlying claim. The failure to demand arbitration within said 30 days shall result in the City Board's decision being binding upon the City and Consultant.

Notice of demand for arbitration shall be filed in writing with the other party to the agreement, subject to applicable statutes of limitation, except as set forth above. The City, if not the party demanding arbitration, has the option of allowing the matter to proceed with binding arbitration or by written notice within five (5) days after receipt of a demand for arbitration, to reject arbitration and require the Consultant to proceed through the courts for relief. Further, if it becomes necessary for City to incur the services of an attorney to enforce any provision of this contract without initiating litigation, Consultant agrees to pay City's attorney's fees so incurred. Such costs and fees shall bear interest at the maximum legal rate from the date incurred until the date paid by losing party
