2. BULLFROG'S OBLIGATION HEREUNDER SHALL INCLUDE providing periodic preventative maintenance inspections and diagnostic checks on the machine(s), and all unscheduled service required including parts (unless specifically excluded), labor, and travel to keep your equipment operating within factory specifications; but not including shop reconditioning or replacement of complete assemblies resulting from the wearing out of numerous parts.

3. Any in-warranty parts or labor provided by Bullfrog under a warranty made by the manufacturer shall be provided pursuant to the terms and conditions of said warranty and not pursuant to this agreement.

4. Service shall be performed during Bullfrog's usual business hours; however, service when and if available after Bullfrog's usual business hours and on Saturdays, Sundays and holidays, shall be charged at Bullfrog's then current maintenance rate for labor, travel, and expenses in addition to any charge paid by the Customer hereunder.

If, in Bullfrog's opinion, the machine(s) ought to be removed for a shop reconditioning because on-site repair cannot keep the machine(s) in satisfactory operating condition and if authorized by the Customer, Bullfrog will recondition the machine(s) at the sole expense of the Customer which will be in addition to any charge paid by the Customer hereunder.

8. Any parts supplied hereunder shall be free from manufacturing defects in material and workmanship under normal use for a period of ninety (90) days. This warranty does not apply to any part that has been tampered with or repaired by persons other than a person authorized by Bullfrog to perform service
