### **Short-Term Rental Good Neighbor Guidelines**

Welcome to the City of Newport! These guidelines are intended to highlight a few ways you can be a good neighbor during your stay.

**General Respect for Neighbors.** Be friendly, courteous, and treat your neighbors like you want to be treated.

**Occupancy Limits.** Abide by the occupancy limit posted within the short-term rental unit. The number listed represents the maximum number of individuals that may be on the premises at any time during the rental period.

**Noise.** Be considerate of the neighborhood and your neighbor's right to the quiet enjoyment of their home and property, especially after 10:00 pm.

**Maintenance of Property.** Be sure to pick up after yourself and keep the property clean, presentable and free of trash.

**Garbage Disposal.** Place trash and recycling containers in the appropriate place and time for pickup, and return them to the designated location in a timely manner after pickup. Cigarette butts should be properly extinguished and disposed of in the garbage.

Parking and Traffic Safety. Refer to the parking diagram posted in the short-term rental unit and park at these locations whenever possible. Do not park on landscaped areas or in a manner that blocks driveways, sidewalks, or mailboxes. Drive slowly through neighborhoods and watch for pedestrians and children playing.

**Pets.** Promptly clean up after your pets. Prevent excessive and prolonged barking, and keep pets from roaming the neighborhood. Control aggressive pets, and be sure to abide by the local leash laws. Store pet food indoors and in a secure container to reduce the likelihood of unwanted pest problems.

**Tenant/Guest Responsibility.** Approved guests and visitors are expected to follow the Good Neighbor Guidelines. Be sure to read your rental agreement, and information posted and/or otherwise available within the unit, for additional terms and restrictions on the use of the short-term rental.

**24-Hour Contact Information.** If at any time you have concerns about your stay or in regards to your neighbors, please call the 24-hour contact number posted within the unit or on the property. Phone numbers and addresses for emergency responders, utility providers, and a tsunami evacuation map are available in the unit to assist you in the event of a natural disaster, power outage, or other emergency. You are encouraged to locate and review this information at your earliest convenience.
