Notes:

Permits may have multiple owners, addresses, parcel numbers and licensed professionals. For ease of use only the primary is listed for each

In some jurisdictions Construction Excise Taxes, Special Development Charges, and Metro Tax fees may be added to permit fees. The Total Pay amount includes all of these. The permit fee amount does not include them.

Records that have been converted (indicated with *) from a previous system may have all fees included in the Permit Fees

The square footage amount is the total of each square footage used to calculate the job value.
