12	I like when there are rangers or volunteers providing information	9/7/2018 6:20 AM
13	The coast st. Park has needed attention for quite a while. Big creek and the skate park are functional but dirty and graffiti filled.	9/6/2018 9:39 PM
14	Facilities I've visited have been clean, trails are mostly maintained, lawns, etc. clear of trash. One exception is the Skate Park.	9/6/2018 3:35 PM
15	FYI, I mow the park grass at the park near my house to make the park comfortable and usable. I know the city doesn't have enough park staff and I'm not complaining. I just thought I would let you know.	9/6/2018 12:44 PM
16	Most of the parks I notice are trashed by homeless people.	9/6/2018 10:16 AM
17	There is usually a fair amount of trash on the ground and a general feeling of abandonment or dis- interest in the parks.	9/5/2018 8:06 PM

20	Rotting picnic tables at yaquina bay lighthouse. Need speed bumps- traffic drives too fast with pets and children around	9/5/2018 9:36 AM
21	Cigarette butts everywhere and no collection canisters. Newport is not Pedestrian Friendly. Bike lanes are needed especially on Hwy 101, separate from the highway. Tennis courts are in need of resurfacing.	9/5/2018 8:24 AM
22	Trash, graffiti, etc.	9/4/2018 11:29 PM
23	Need some type of security sweep of some of the trails and parks. One that really stick out in my mine is Agate beach park and trail. Took my granddaughter there and I was scared for our safety. Lots of sketchy people along the trail and hanging out in the parking lot.	9/4/2018 10:33 PM
24	Everything is fairly clean and in good repair despite hard use (tourists) and homeless.	9/4/2018 9:06 PM
25	The park on 60th street was not maintained for so long that it needed to be removed. However, nothing was put back to replace the playground. There are children through out the surrounding blocks that now have no playground to go hand out with their neighborhood friends. It was very sad day when we all found out that a plastic rock was coming in like the lighthouse playground. We need to put more in for our very bored children in the outskirts of town.	9/4/2018 8:43 PM

28	Most seem well maintained. Occasionally the less popular sites have litter or over growth.	9/4/2018 4:05 PM
29	Many of the play structures are rusted, especially in Newport, and I don't let my kids play on them because I'm afraid they will break. Specifically, the park by Frank Wade, the park on the north west side of Newport (around 60th st), and by Big Creek.	9/4/2018 3:56 PM
30	Public parks in Newport are not mainted, there is graffiti and broken equipment on some sites.	9/4/2018 1:38 PM
31	The dog park in south beach seems very unstable and the equipment looks like it's falling apart, my dog is getting older so I would never trust that equipment unless it gets fixed	9/4/2018 1:35 PM
32	Betty wheeler is falling apart. The ocean to bay trail needs the bums removed from it. Also that trail needs to make it to the bay!	9/4/2018 1:30 PM
33	T-6 trail is not complete or a part of it has eroded away. I appreciate never seeing the trash cans over flowing. Nothing speaks to going above and beyond to entice me to rate higher than average.	9/4/2018 10:52 AM
34	A mix. Some are pretty well maintained. Others are not.	9/3/2018 7:23 PM
35	There is always litter at Frank wade and no garbage cans on the south side. The lights and garbage at betty wheeler are also awful. The garbage isn't collected at the beach wayside often enough either.	9/3/2018 3:42 PM
36	Everyone has a different idea of what's attractive. It's hard to maintain if there isn't a standard. There's varying emphasis put on keeping the grounds around city buildings garbage free and inviting. If it cannot be mowed, there's little maintenance besides garbage cans being emptied.	9/3/2018 10:54 AM

6	Some are well maintained (eg coast park), others poorly maintained trail from big creek to agate and park by skatepark	8/31/2018 10:26 PM
7	Public bathrooms are kept clean Weeding and trimming need more attention. For instance, Mombetsu Park often looks neglected.	8/31/2018 9:23 PM
8	Many playgrounds are littered with drug paraphernalia, homeless people, trash and just feel unsafe to bring my child to	8/31/2018 9:06 PM
19	Trash containers need to be emptied more and there needs to be more of them in hopes that people will use them and reduce littering	8/31/2018 8:50 PM

6	Some are great, others are terrible.	8/31/2018 2:11 PM
57	Landscaping is ignored after a couple years Drainage is poor in some parks causing mud fields. Play equipment is broken and then not replaced. I'm embarrassed to take out of town friends to our parks, and it's too dangerous to go for hikes due to the homeless camping out along trails	8/31/2018 12:45 AM
58	The playground equipment was removed from the Agate Beach neighborhood park several years ago. The synthetic rocks put in their place has attracted zero children (or anyone else) that I've observed. Children used to play there. In addition, I question what city of Newport means by maintained in an "attractive manner" I don't consider what's happening at Agate Beach neighborhood parkwhich is the steady destruction of the salal, evergreen huckleberry and native rhododendrons by string-trimming or brush cuttingwhile leaving invasive species like Scotch broom, holly and ivy in place. I do NOT find endless grass cut too short to be attractive. What attracted me about the coast initially was the amazing amount of green, the beautiful trees, salal, evergreen huckleberry, native rhodendrones, wake robins, lichens, et al, and all wide variety of native bees & birds that use the native plants for food, protection and nesting areas. I would like to see more native species used in parks, and far more action to preserve native species, whether plants, bees, or birds, within the city limits.	8/30/2018 8:03 PM
59	the city continues to add parks to their inventory without added staffing to keep parks, etc. maintained.	8/30/2018 1:41 PM
60	Multiple broken features at Coast Park, grounds need more attention, most park structures are out of date.	8/30/2018 1:28 PM
1	certain parks seem to get more attention than others. It may also be that certain parks require more attention than others - but the ending result is that some facilities always look like they have not been maintained.	8/30/2018 11:36 AM
2	The city has parks they don't support based on community involvement so when the community is not involved then the park is not supported by the city. Example: Frank Wade facility.	8/30/2018 9:58 AM

63	Facilities are available and useable	8/30/2018 9:53 AM
64	No European blackberry control. Refusal of our request for a doggie station in Forest Park. We should also be coordinating with Oregon State Parks.	8/30/2018 9:49 AM

Q22 Currently, what is missing from the park system? (either missing altogether or missing in specific geographic areas of the community)

Answered: 169 Skipped: 82

#	RESPONSES	DATE
1	COVERED PLAYGROUND	9/10/2018 8:18 AM
2	Easier access to walking trails.	9/9/2018 9:00 PM
3	Connecting trails to recreation spaces throughout the community	9/9/2018 6:30 PM
4	More field space for kids to play sports. The situation we have right now is absolutely insane	9/9/2018 5:41 PM
5	The city needs to focus on maintaining the facilities it currently operates.	9/9/2018 3:36 PM
6	One problem in our area is rain. We need more all weather surfaces and covered areas.	9/9/2018 8:51 AM
7	The city baseball programs, youth in particular, are not allotted enough space or time to effectively cultivate learning. With the addition of soccers recent popularity, baseball has suffered even more in regards to practice space. Need to keep the soccer games away from the baseball fields	9/9/2018 8:41 AM
8	We need more sports fields for our kids. Safer parks the park by the PAC is dangerous.	9/9/2018 8:39 AM
9	There were supposed to be future intentions to have a path from Literacy Park to NW 3rd Street. The City owns the area. It's just very overgrown.	9/8/2018 9:20 PM
10	More bike trails around town to use for commuting, or a quick ride, as compared to trail riding. Also MORE green space along HWY 101 with habitat appropriate vegetation, i.e. dune grass, shorepines, myrtle.	9/8/2018 8:28 PM
11	Restroom that are not portapoties Drinking fountain Small children play area with equipment that are open to public during school hours Adult lawn game areas	9/8/2018 5:44 PM
12	More parks more playgrounds	9/8/2018 4:20 PM
13	Beach access, improved public transportation to go to parks, etc. benches, maintenance, signage. And completing the OTB trail.	9/8/2018 4:05 PM
14	Bike trails off the streets. Disability access and equitable play structures	9/8/2018 12:52 PM
15	More play equipment for younger children.	9/8/2018 12:48 PM
16	Connected trails, parks that serve older teens and young adults.	9/8/2018 12:47 PM
17	Traditional play equipment for kids (i.e. swings).	9/8/2018 11:14 AM
18	Saw places for senior citizens where there are no homeless to bother them. Seniors are very vulnerable physically and need to be safe.	9/8/2018 9:15 AM
19	Bike routes; historic trail access to the beach (jump off joe); reserveable picnic shelters	9/8/2018 8:34 AM
20	Gathering spaces for groups, places to be outside in inclement weather (small shelters), playground equipment, "natural play areas".	9/8/2018 8:33 AM
21	Bike paths	9/8/2018 6:30 AM
22	More playing fields that are not reserved by soccer.	9/7/2018 10:43 PM
23	finish beach to bay trail. / more walking and biking trails to avoid 101.	9/7/2018 9:35 PM
24	More walking/running trails	9/7/2018 5:51 PM
25	Picnic spaces are lacking. Hiking trails are inadequate - Mike Miller Park trails are in terrible condition with many tripping hazards because of erosion around root structures. Most parks are distant enough that people must drive cars to them.	9/7/2018 4:06 PM
26	More Senior and disabled accessibility needed	9/7/2018 2:47 PM
27	Safe pedestrian links between beach and city parks	9/7/2018 2:46 PM

28	More trails, more open spaces and natural areas, bicycle trails, public restrooms, green areas with benches in the more crowded areas of the city, near low income housing	9/7/2018 2:44 PM
29	Small, neighborhood parks. Parks that are accessible for all people.	9/7/2018 2:09 PM
30	Safe connections for unmotorized users, local maps to next closest parks	9/7/2018 1:58 PM
31	Parks that are functional and useful for families with small children are sorely lacking. There are a few parks with playgrounds, but those playgrounds are inadequate for the needs of the expanding family population of the area. With the imminent arrival of more graduate students from OSU and the expansion of NOAA, as well as the Coast Guard families and others, there is an increasing need for family-friendly parks and recreation facilities, but the city is not keeping up with the growing demand. The rec center is priced at a point that is unaffordable for almost any family with more than one or two kids (there's not even a family membership option, which almost every other rec center in the country has). The outdoor playgrounds are small, poorly situated (they never dry out) and often poorly maintained. The playgrounds also rarely have any open grass in the immediate vicinity that would allow kids to run around on the grass while still being visible to their parents, who may be watching a sibling playing on the equipment. In particular, there is a lack of good playground options for toddlers. The Coast Park, for example, is not toddler-friendly at all. It is fine for older kids, but the equipment is difficult for smaller kids to use and the long slide, although great for older kids, is a bit too much for small ones.	9/7/2018 1:55 PM
32	Botanical garden	9/7/2018 1:53 PM
33	Inclusion for people with disabilities.	9/7/2018 1:45 PM
34	More walking-only in good nature trails, please! Like the one that goes from the old pool to Big Creek!	9/7/2018 1:38 PM
35	There aren't enough parks in town, especially when you compare Newport to Lincoln City, for example.	9/7/2018 1:30 PM
36	Bigger parks	9/7/2018 1:26 PM
37	Don't duplicate proposed changes at the Lincoln Commons, but support the possibilities it brings to the City's Park system. The location has been used like a city park without any support from the city for years. Dog walking, little tikes soccer practice, concerts, outdoor events for Newport community, school graduation parking, public bathrooms, public access and use to exercise for NE 3rd area walkers & joggers, bonfires for high school Homecoming, track field for running sports, sale space for overstock equipment from schools, city, and county, and on and on. There are no City parks in NE Newport with the attributes or potential of the Lincoln County Commons. The City of Newport needs to appreciate this space, see its value in providing NE area residents and tourists a quiet space to enjoy, and contribute funds to its beauty and viability. The Commons will be an asset the city's park system without responsibilities for maintenance. Tell the truth! Get involved! One planet, one mission to improve the lives of our residents!	9/7/2018 1:24 PM

40	Marked trails and maps	9/7/2018 12:01 PM
41	Inter linked bike lanes to get around the city	9/7/2018 8:40 AM
42	I must say that Regatta park in Lincoln city serves all my purposes and is very accessible. Or research golden gardens park (Seattle) for an example of public beach access meets walking trail meets playground and indoor event location.	9/6/2018 9:44 PM
43	Parks are adequate. Sometimes it is nice to have natural spaces without plans and structures.	9/6/2018 9:23 PM
44	parking	9/6/2018 9:00 PM
45	I think that the parks need more each variety. From the youngest to the oldest of kids that play. I think they need to be entertaining. And maybe one of those water things that shoot from the ground. I think people need to look at other towns parks. Like McMinnville Has an amazing Park facility.	9/6/2018 6:02 PM
46	boat/kayak access to calm waters off-street multi-use trails wetland wildlife viewing areas	9/6/2018 3:46 PM

47	Sidewalks for safe walking in neighborhoods and to parks. Police presence to decrease homeless transient camps along trails. Maintaining the skate park. Cleaning up the green space behind the skate park. And keeping it clean. Bathrooms at playgrounds that are clean and well maintained. Clean updated equipment for the rec center gym. A big indoor space that could be utilized for various activities during the rainy weather. (Indoor skating, climbing wall, etc) well maintained signage for parks.	9/6/2018 1:21 PM
48	I actually think Newport has a good park system no matter what I marked in the survey. I don't see that a lot of money should be put into more parks. I do think more can be done to maintain the parks we have. I also don't think a restroom is needed at every park. Neighborhood parks have other options close by, like going home for a minute. It's good to have them at the larger parks but not the little pocket parks.	9/6/2018 12:54 PM
49	A safe and clean environment. Clean up current parks first and remove transients.	9/6/2018 10:19 AM
50	More parks for children and outdoor areas to host large groups	9/5/2018 9:48 PM
51	There are no swings for babies. The ones you put their legs into. Lincoln city has a great park by the lake and it has astro turf and we now go there to play.	9/5/2018 9:05 PM
52	Restrooms at some of the parks.	9/5/2018 8:41 PM
53	As a runner, I would just like more options for places to run off the roads	9/5/2018 8:16 PM
54	The skate park is in a rather secluded location that contributes to local crime and an unfriendly atmosphere towards younger children.	9/5/2018 8:11 PM
55	Agate beach park has locked restrooms and no play structure for children other than some over sized rocks.	9/5/2018 6:32 PM
56	Nothing I can think of.	9/5/2018 5:08 PM
57	Better running trails in Wilder that don't conflict with the disc golf course and aren't constantly changing due to logging operations and private closure of trails (the Hall property in particular).	9/5/2018 3:16 PM
58	Bike lanes! Newport have many great recreation options but safe biking / commuting is incredibly lacking.	9/5/2018 2:53 PM
59	Running or biking paths - long distance of connected trail that is removed from the roads to provide safety. Also easier and safer access to transport from south beach to Newport without car. an	9/5/2018 12:29 PM
60	Paths for runners, walkers, and cyclists to avoid Hwy 101. As a solo female jogger and cyclist, this is a matter of safety. Traveling along 101 is oftentimes unavoidable, especially for those who live in South Beach subdivisions. This renders women vulnerable to a lot of heckling and dangerous antics. For example, I have experienced cars swerving (as if pretending to hit me), honking horns, passenger taunts, sexual harassment, and so on. I believe this prevents a lot of women from exercising and recreating in public.	9/5/2018 10:51 AM
61	better parking at the senior center. A parking garage would be good over there.	9/5/2018 10:29 AM
62	A large playground with plenty equipment suited to children of all ages. Something similar to regatta park in Lincoln city but in Newport would be nice.	9/5/2018 9:59 AM
63	Road and trail maintenance- for example trail north side of Yaquina bay has been washed out- when will it be fixed? Speed bumps or something like it- drivers speed through Yaquina bay park since the road links town to wharf	9/5/2018 9:42 AM
64	better children play areas. agate beach needs a little bridge to get to the ocean	9/5/2018 6:52 AM
65	Affordable access to the rec center and aquatic center for the tax payers that helped build it.	9/4/2018 11:33 PM
66	Looks like we need more parks in Newport and make them more accessible with the addition of sidewalk, trails, safe places to cross 101. I would like to see a splash pad put into a park, with a covered pavilion and some tables and benches so the parents can pack in a lunch and sit & relax while the kids play on the splash pad.	9/4/2018 11:06 PM
67	Pedestrian bridges over the 101	9/4/2018 10:25 PM
68	Safe walking paths from SouthBeach - the park and via 101 to the village areas. We need more safe walking areas.	9/4/2018 9:23 PM

69	More consistent play ground equipment across several parks. Coast Park has all the best stuff - which is great! Kids Love love love "the Spin-ie park." But more of the high quality equipment at other parks would be great.	9/4/2018 9:13 PM
70	I explained one the last page. Please consider bringing back a playground on 60th before my son graduates high school. (He is in 4th grade now)	9/4/2018 8:47 PM
71	Areas for teen and beach access for people with physical disabilities. I have a sister in a wheel chair. There is no beach where she can access the beach and play with her children.	9/4/2018 8:30 PM
72	wind protected covered area for family picnics. my family always uses big creek park but the the roof acts like a wind tunnel. It would be nice to have a wind break wall	9/4/2018 6:53 PM
73	Flat ADA trails that are separate from sidewalks (like the trail by rogue and hatfield). Large open spaces (not forested) that are slightly inland so they are sunnier and less windy than the beach. Parks for the bayfront/bay neighborhoods. Bike lanes.	9/4/2018 6:47 PM
74	Handicapped accessible is limited. The non handicapped aren't aware what huge barriers small things can be, like grass, gravel, small drop off from sidewalks. I don't recall playground equipment designed specifically for special needs, like a wheel chair swing.	9/4/2018 5:08 PM
75	We would love another playground, especially indoors for the winter rainy months. Many of the existing playgrounds don't feel open to locals because of their locations inside camping areas, school grounds, and residential neighborhoods.	9/4/2018 5:02 PM
76	Yes	9/4/2018 4:32 PM
77	Adequate restrooms, poor landscaping the feeling of not being kept up. Not comfortable to stay and enjoy	9/4/2018 4:19 PM
78	No good parks for toddlers or preschool children!	9/4/2018 4:08 PM
79	We need more off-leash dog areas away from high tourist locations. Newport Rec Center needs to expand their grants/scholarships to homeless families living outside the Newport city limits, more bathrooms that are UNLOCKED during daylight hours, more covered play areas that kids can play in in the rain or a free indoor park so that homeless/low income families have a place to let their kids play, more community gardens (especially in Depoe Bay, more bike paths that extensive/long.	9/4/2018 4:02 PM
80	Bike trails, walking trails	9/4/2018 3:58 PM
81	Appropriate facilities at South end dog park. It's really run down and not good on their paws. They hate it. It needs to be redone.	9/4/2018 3:31 PM
82	Safety. There are places we would like to utilize, but they're just simply UNSAFE meaning, we avoid them because of those camped out in them and/or those who gather in these spaces for illegal drug use. It's really a shame.	9/4/2018 2:56 PM
83	Safety is my biggest concern. Maybe some sharps containers placed throughout the parks in and around Newport parks. Also some kind of patrols through them. There's a few places that we don't feel safe being in due to the unhinged homeless.	9/4/2018 2:38 PM
84	I would like to see more spaces for dogs to play off leashes and more playgrounds that aren't at a school.	9/4/2018 2:19 PM
85	Trails for running, walking and biking. Sidewalks.	9/4/2018 2:07 PM
86	Newport needs a great 18 hole disc golf course.	9/4/2018 2:06 PM
87	Bettering playgrounds	9/4/2018 1:40 PM
88	Better dog parks	9/4/2018 1:37 PM
89	Need to build a sports complex w/ turf fields for softball, baseball, football, and soccer. Seems the community is setup for seniors, needs to be more across the board.	9/4/2018 1:35 PM
90	Better restrooms and more handicap accessible parks are needed.	9/4/2018 1:20 PM
91	Comprehensive trail network connecting parks	9/4/2018 11:15 AM
92	1. Parks and playground for residents/tourists east of HWY 101, south of Olive St., and west of Eads St. 2. Flatish running/walking paths 3. A way to walk, bike, or run that connects recreational areas in town. 4. Multiuse field that allows dogs	9/4/2018 11:00 AM

93	We are in dire need of multi-use field space! A huge amount of kids are playing soccer and there's not enough field space to accommodate adequate practice time. There is also a large population of folks who want to use the fields, but are not affiliated with an organized group so can't get any time on it.	9/3/2018 9:35 PM
94	Pétanque and bocce courts! Opportunity for league activity. Also, Wilder has some nice park areas but is not inviting or accessible to most residents.	9/3/2018 7:27 PM
95	The current softball fields should be improved so 2 can be in use at a time. Local rates for Dec center are too high to be inclusive. Parks aren't maintained.	9/3/2018 3:47 PM
96	Swings at big creek park	9/3/2018 1:10 PM
97	reason to go to them. I don't have kids, I don't play sports. I like walking trails, but the only one I know of is behind the old pool and have heard there are homeless camps back there. More trails that are level if possible. Nature play areas, something more than the standard playground equipment. Check out Harper's Park in Portland. Places for activities for young adults with no kids.	9/3/2018 11:42 AM
98	The neighborhood east of Hwy 101 and North of Hwy 20 has lots of kids but the only parks shown are the schools. A ply area is needed somewhere besides the schools. Sidewalks are neglected as a way to exercise, and get to school safely. They are often haphazardly placed and not continuous. Consider how to better link with the Bay Front Board walk (which is not listed in the inventory). It's heavily used and could be more of a connector to other outdoor activities if better signed and utilized. Consider the County Commons as an area for more playing fields and a covered play/gathering area.	9/3/2018 10:59 AM
99	Safe, secure, trails and restrooms where you don't feel transient drug addicts are looking to prey on our kids. More swings including bucket swings for toddlers. There are literally over a dozen homeless/transfers that live and camp near Agate Beach Park and old bay trail by Big creek reservoir; not too mention the homicide that is still under investigation in that area. Quit being so damn naive to the biggest pink elephant in Newport. New parks won't mean anything if you can't address the transient/homeless problem.	9/3/2018 10:33 AM
100	Maintenance and vandal suppression	9/3/2018 9:54 AM
101	Beach access throughout Newport.	9/3/2018 9:39 AM
102	Parks that you don't have to worry about homeless people being in so you're afraid to let your kids run and play. Trails that you can walk without being worried you'll be attacked on by these same people. A rec center that you can go to and take your kids because they don't give out shower passes to homeless shelters. Honestly, I don't get to enjoy many of our parks as much as I would like because the city needs to fix the homeless problem, instead of continuing to invite these people here. That would make our current parks so much more enjoyable!	9/3/2018 8:33 AM
103	Safety from homeless people and drugs.	9/3/2018 8:21 AM
104	Bike trails or lanes so we could safely bike around town. A better way to get across the bay with a bike.	9/2/2018 3:40 PM
105	Wayfinding, restrooms	9/2/2018 3:40 PM
106	Bocce courts. Really great for activating seniors. (Popular in other communities) Uses oyster shells as the "sand" Would need to determine year-round, weather-resistant capacity	9/2/2018 2:52 PM
107	More traditional playground equipment. During the school year moms like me struggle to find playgrounds north of the bridge that fit the needs of 1 to 4 year olds. Big creek park has great equipment for them to play on but is always supper muddy fro the wet weather. Coast park is nice and dry, but most of the equipment is too big or too obtuse for toddlers to utilize. The other play ground areas usually have homeless people that make my children uncomfortable.	9/2/2018 2:42 PM
108	Medium to large gathering areas protected from the weather. Clean restrooms. Aquatic center on later to accommodate more diverse schedules	9/2/2018 10:07 AM
109	Extensive Forest hikes/ hikes to points of interest	9/2/2018 9:16 AM
110	Cleanliness, some of the big structures need to be pressure washed and the wood treated. Security from the transient population, I have found used needles at the park and the bathrooms in some areas are portable potty's (Big Creek Park) I'm always skeptical about letting my little ones use the bathroom because of all the transients seen using them. More swings especially the bucket swings for babies. Play areas under rain coverings so in the winter months kids can still play outside.	9/2/2018 7:52 AM

163	I feel very optimist that this is a great start in involving more the community in general. I hope the Park and Recreation takes the time to engage more people from minorities groups. I think one of the things missing is to have safety signage for example: I have walked the beautiful area the NE Big Creek Road, and many times I have experienced the rash to move to the side the road because the cars speed up even there is the presence of people. At one degree, there is not a clear safety signage that guides "walking or reduce speed." Another beautiful area is the Ocean to Bay Trail-Agate Beach State Park which it does not have streetlights and potentially offers the opportunity to walk even during first hours in the morning or late night. This trail to me feels very unsafe without enough light or over grown bushes. One time, I saw a person in their wheelchair going on 101 from NE 31st St to the NW 25th St. I think this is an area that it can improve by having a pave trail next to the road with clear signage.	8/30/2018 10:06 AM

2	You should take the fairground property and turn it into a sports facility and move the fairgrounds to Toledo	9/9/2018 8:40 PM
3	More developed trails around big creek	9/9/2018 6:31 PM
4	See above about Literacy Park	9/8/2018 9:20 PM
5	Beautify them.	9/8/2018 4:20 PM
6	More mountain biking trails that connect South Beach to the North end of town.	9/8/2018 11:15 AM
7	More benches would be nice, especially on steep streets to rest when traveling on foot.	9/8/2018 9:22 AM
8	The Big Creek trail is nice but seniors are afraid to go down there because of the homeless camps.	9/8/2018 9:17 AM
9	I cannot decipher from this map what kind of opportunities are proposed. I think the city suffers from too few children's play areas, covered spaces for groups to gather, and paved off road trail connections for biking.	9/8/2018 8:36 AM
10	Please continue to watch Big Creek trail. My daughter is afraid to go there these days because of previous recent campers right off the trail who scare her and lots of youngsters run through there for cross country training, etc. They may be fine folks, but it's disconcerting for the young ones and teenagers, I think, to have campers so close off the trail.	9/7/2018 9:42 PM

17	That parking lot that you bought for \$1.1 million and paved just south of city hall would make a fantastic park if you broke up the pavement. It would be a nice visual break and provide some much needed green space in the middle of town, providing some attraction to visitors and giving a park in that part of town, which is lacking in such things. I know it won't happen (city employees love their convenient, million-dollar parking lot), but it should have been done that way from the beginning.	9/7/2018 2:00 PM
18	Any long wooded trails to add would be great!	9/7/2018 1:42 PM
19	A north-south walking/biking trail from lighthouse to lighthouse west of 101 and free from traffic	9/7/2018 1:37 PM
20	The simple ability to walk safely from one end of town to the other would be fantastic (see Lincoln City's plan for doing this, very inspiring).	9/7/2018 1:31 PM
21	Outdoor bathroomsporta potties fine	9/7/2018 1:27 PM
22	No flat space for housing in Newport so it is said? HUMMMMMM! Perhaps, exploring new space that is not developed first, and use flat space within the city as best serving the housing crunch!	9/7/2018 1:26 PM

23	Make the Lincoln County Commons into affordable housing with community garden and park area with picnic, gazebo for music, etc., but not an exhibit center.	9/7/2018 1:23 PM
24	Path from N. Jetty, under the bridge to the trail by the elementary school	9/7/2018 1:20 PM
25	What if there were a paved motor free walking/bike path from the bridge to agate beach or even Yaquina Head?	9/6/2018 9:46 PM

54	Another dog park in the center of town.	9/4/2018 3:32 PM
55	Please look at the Sam Moore trail. There's SO much that could be done there. It's so beautiful, but no one uses it (even though we want to) because of the illegal and scary things that happen in there. :(9/4/2018 3:01 PM
56	Maybe look into making and maintaining trails down to the various beaches.	9/4/2018 2:20 PM
57	Maybe work more with running and biking groups to get trails built on city property. Example, Bike Newport, Team Ardor, NEWTS.	9/4/2018 2:12 PM
58	Creating a better skatepark for the community.	9/4/2018 1:41 PM
59	No	9/4/2018 1:38 PM
60	Finish the ocean to bay trail. Get rid of the bums that live in the forest around the trail. I do not take my family down there unless it's light out.	9/4/2018 1:36 PM
61	A completely handicapped walking/nature/beach trail would be incredible to add For both locals and tourists!	9/4/2018 1:23 PM
62	The main things that come to mind are having more connected trail systems for walking and biking and more covered recreational areas.	9/4/2018 12:20 PM
63	1. A trail to connect T-2 with P-32 (connecting central Newport with northern Newport). 2. A trail to connect SE Marine Science drive with P-51. 3. Kayak launch area in Historic Bayfront district. 4. Make T-6 a trail to the beach from the coast guard area (currently section of trail is missing). 5. Use P-50 as space for a neighborhood park or playground. 6. Add a neighborhood park or pocket park to T-5 S-07 connection trail. 7. Add exercise equipment to a trail to make it a fitness trail (perhaps on the connector trail from T-5 to P-30?).	9/4/2018 11:12 AM
64	More multi-use fields!	9/3/2018 9:36 PM
65	Gas plant. Already an unofficial dog walking area. Unbeatable views of the Bay. I know it's private property but maybe a public easement could be negotiated.	9/3/2018 7:29 PM
66	P01 seems to be under utilized - perhaps a small playground or community garden spot. A destination at the Terminal - a corridor trail/sidewalk walk from the Bay Front to a viewing point above the Terminal. Perhaps it would connect to the Vista Drive for the ambitious.	9/3/2018 11:03 AM
67	North Newport (between Jump Off Joe and Yaquina Head) should get more attention.	9/3/2018 9:42 AM
68	More police patrol or security measures around parks	9/3/2018 8:22 AM
69	Work with the county to develop a portion of the County Grounds that would draw families for play, picnics, reunions, all in an environment that is in a safe location and easily accessible.	9/2/2018 3:41 PM
70	Bocce courts!	9/2/2018 2:52 PM
71	Better playground equipment at coast park more fit to the physical abilities of a 2-3 year old.	9/2/2018 2:46 PM
72	P14 p13 p16 p34. Yellow create connections!	9/2/2018 9:20 AM
73	Adding swings to big creek park and pressure washing the structures. Putting some kind of covering over the structures at the park and creating an actual bathroom.	9/2/2018 7:57 AM
74	Bike/walking trail from Airport to South Beach tourist area along the old railroad right of way. Trail from Bay to Beach connected to a trail to the Bayfront via old pool and tunnel under Hwy. 20 or bridge to Bayfront.	9/1/2018 7:49 PM
75	No, thank you	9/1/2018 7:27 PM
76	More access to a sheltered playground for kids or indoor options that is not the rec center	9/1/2018 6:26 PM
77	Some type of security	9/1/2018 3:39 PM
78	no more, just maintain, and post only safe beach access, not historic access now compromised by erosion	9/1/2018 11:25 AM
79	Perhaps a children's swing set by Beverly Beach	9/1/2018 8:15 AM
80	This needs to be focused on the City's properties NOT SCHOOLS, STATE & PRIVATE LANDS. Develop your own, others land and property are NOT your opportunities.	9/1/2018 6:00 AM
81	Children's park near 70th street	9/1/2018 5:38 AM

82	Just a bigger and better play ground for kids with benches around for adults	9/1/2018 4:29 AM
33	101 needs a larger shoulder for cyclists.	8/31/2018 11:53 PM
34	No, unless you planning on building a completely new park. It looks like you are only planning on possibly improving existing parks?	8/31/2018 11:32 PM
5	None needed!!	8/31/2018 10:54 PM
6	Walking, biking, mountain bike trails around Big Creek Res. Occasional street closures for walk / bike events	8/31/2018 9:34 PM
7	No turf areas that dog agility could use. They turfed the middle school and no where else can the dogs do agility	8/31/2018 8:59 PM
8	Buy mike warren's property and use that as a park and trails	8/31/2018 7:05 PM
9	NO	8/31/2018 3:02 PM
90	Use what you have correctly and take care of it. Taxes are so high in Newport that I hate seeing money wasted on new things when all the old things still need upkeep.	8/31/2018 2:54 PM
91	A park with playground north of town - area near 70th or behind the state police	8/31/2018 1:09 AM

1	Nope. Thanks for asking!	9/9/2018 9:04 PM
2	The Parks Dept needs leadership that actually lives in Newport!! Our current one resides in the valley. How can he know what our community needs. When we vote on a pool for example, give us the pool we voted for not some scaled down version because someone didn't budget correctly	9/9/2018 8:54 AM
3	Some kind of space for teens to hang out would be great.	9/9/2018 12:28 AM
4	Not smell bad less trash.	9/8/2018 4:21 PM
5	The OTB trail needs patroling for homeless campers. I used to encourage people to use it, now it has become less desirable to use.	9/8/2018 4:11 PM
6	Keep them safe for all members of our community. Thank you for asking my opinion and for all that you do.	9/8/2018 9:18 AM
7	Mountain bike trails that don't rely on private land owners' logging whims.	9/7/2018 10:46 PM
8	All walking and biking trails are GREATLY APPRECIATED! The 101 cutting through town makes this town "not so walkable/bikeable" so any ways to avoid the 101 and stay out of the car to get around are AWESOME!	9/7/2018 9:45 PM
9	Better sidewalks for walking around neighborhoods.	9/7/2018 8:44 PM
10	Keep up the good work!	9/7/2018 5:53 PM
11	Be responsible and consider future costs, property tax, maintenance costs, realistic usage.	9/7/2018 5:52 PM
12	Maintenance is a huge problem for all of Newport's city-owned spaces. Lack of funding, crews that are not trained in any smattering of horticulture, and neglect is rampant and apparent.	9/7/2018 4:09 PM
13	not at this time	9/7/2018 2:50 PM
14	I think the parks that already exist need to be maintained better. It seems like they are built and then forgotten.	9/7/2018 2:12 PM
15	Exchange representatives with Lincoln City, Waldport, Yachats, & Toledo for outside opinions with more of a tourism focus	9/7/2018 2:06 PM
16	Don't just change things to appeal to retired people. I know that's what will happen, because that's what always happens with these things in Newport, but please don't. Think of the children. Seriously. Think of the needs of the kids in the community and the lack of access that indigent families here have to things like the rec center and aquatic center, which unless you have significant income or you work for the city or county, you are unlikely to ever visit based on the exorbitant entrance fees. Most families I know would prefer to drive over to Corvallis to use their facilities. The time commitment is higher, but for a lower price you get more and better access to facilities. And Newport really could use a facelift on 101. There's not much that is visually appealing to grab tourists' attention and get them to stop. Even just a modest sized park with restroom facilities would be enough to get a lot of people to stop and think about spending money in town at the nearby shops.	9/7/2018 2:04 PM
17	Maintenance of existing facilities must be planned and executed before adding more facilities. Have a group of ordinary citizens visit each of the parks and be asked to score them. If all indicate they are well cared for, functional and attractive, then you're done. If several indicate issues, then address thise issues in the budget and operations.	9/7/2018 2:00 PM
18	Model parks using Harper's playground as an example. https://www.harpersplayground.org/	9/7/2018 1:47 PM
9	keep the homeless from camping in them	9/7/2018 1:38 PM

20	Be wise, fix your water system, fix homeless issues, add parks as you can in undeveloped areas of proposed housing communities like Wilder and south. Take care of neglect first!	9/7/2018 1:28 PM
21	Make a skatepark protected from the elements like Lincoln City's.	9/7/2018 1:21 PM
22	Ocean view drive is a pedestrian nightmare and needs to be fixed!	9/7/2018 8:42 AM
23	Thank you for this survey.	9/6/2018 9:47 PM
24	Keep up the parks you have. Make them accessible. Dont worry so much about expansion. Don't plan to support parks off the backs of tourists.	9/6/2018 9:26 PM
25	No. Litter is my pet peeve-amazing that Newport can keep the public beach areas in such good shape. Anything that stops litter [cameras, fines, signs] has my support.	9/6/2018 9:04 PM
26	Work with the State to get some sort of pedestrian/bike bridge adjacent to or underneath the Yaquina Bay Bridge.	9/6/2018 3:59 PM
27	Only lived here for a year and have visited all the parks and have been impressed with the level of cleanliness in bathrooms and picnic areas. Thanks for all the hard work.	9/6/2018 5:23 AM
28	I mentioned it earlier, but the park in Lincoln city on the lake is amazing. Astro turf, great for babies and toddlers, all wood play structure and lots of benches for parents to sit on	9/5/2018 9:08 PM
9	Make all the parks user friendly for all age groups and physical ability.	9/5/2018 8:15 PM
30	I am a fiscal conservative. My main concern with this area is that I am invested in it and the state has mostly killed industry. That's not going to change. I think the local community will be best served to keep tourism in mind. I own vacation rentals in the area and I think the biggest thing that can keep people coming to the area / enjoying it are simply ways other than a vehicle to get up and down the 101 between Waldport and Depoe Bay. I understand this may be more of a state issue. We may have to get creative in motivating the powers that be.	9/5/2018 5:12 PM
1	More off leash dog parks- only one we knew of was by the college in south beach	9/5/2018 9:46 AM
32	pool access needs to not just be swim team and rec center kids or swim lessons all should be able to use it at all times	9/5/2018 6:54 AM
33	There is too much emphasis on tourists. As a resident, I have found that many do not respect what is provided, such as free water which residents pay a great deal of money for. Why not meter this use? Lets think of ways to beautify what exists already and add WALKING paths that link Newport's many areas, especially South Beach. I think this all needs to be carefully planned with recognition of the homeless situation.	9/4/2018 9:29 PM
4	We have 5 kids. We love the parks, but really we Need the parks!	9/4/2018 9:16 PM
5	I live in waldport but spend a majority of my time in Newport.	9/4/2018 8:31 PM
86	Adequate deducated funding is probably the weakest point in the park system. Any and all plans for parks isn't of any use if generous funding isn't available.	9/4/2018 5:14 PM
57	No	9/4/2018 4:32 PM
38	A town where I used to live had a fenced in mini play area for toddlers next to the big kid park. It was great to be able to watch the older children from a short distance but have safe small structures that our youngest children could play on by themselves - in other words, they could climb in, on, around the area without needing an adult to be constantly holding them.	9/4/2018 4:13 PM
39	We have a very high low income/McKinney-Vento homeless population here. The Newport Rec Center needs to expand their scholarships to families that live outside city limits. Same with the Lincoln City Rec Center. There isn't a Rec center in Depoe Bay, South Beach, etc. We are homeless but cannot afford to take our kids anywhere during the rainy/windy season. We live in a 5th wheel. This is not fair and it's not our fault that our landlords sold our home out from under us after living in Newport for 8 years. We are not the only family affected by this.	9/4/2018 4:08 PM
10	Really want more walking and biking trails. Would really like a way to bike north or south that avoids 101 or Oceanview	9/4/2018 4:01 PM

45	Thanks for your dedication to improving Newport for all its residents and visitors!	9/4/2018 11:12 AM
46	Ensure adequate maintenance. Or encourage "friends of" to help with maintenance.	9/3/2018 7:30 PM
47	Better and more space for children's summer activities. The Clubhouse is kind of a sad space. It's just an open shop. We also need a preschool room, or convert the current child center into the preschool room and have another space for 6 to 8 year olds. 9-12 at the Clubhouse. There are no parks near the rec center so the kids in child care there have nowhere outside to go.	9/3/2018 11:46 AM
48	Focus on what works and maintain it. Get the Rec Center staff to take more pride in their building and the grounds. Perhaps there could be some outdoor amenities there that would get the staff outside and picking up trash and weeding. Enlist a volunteer corps interested in maintaining landscaping using the VAC as a small example of what a small group of people can do to maintain city property.	9/3/2018 11:06 AM
49	I lived in Juneau, Alaska when I was a kid ages 9-13, and they had fully covered playgrounds that still allowed us to play outside when it was raining like crazy. They were huge and awesome. I recently went back up there a couple years ago and they created an indoor soccer/ sports facility; not like Newport's Rec Center. It seems like Newport is more tailored to pleasing tourists versus pleasing the tax paying residents.	9/3/2018 10:40 AM
50	More safe walking (trails and sidewalks or safe roadway).	9/3/2018 9:44 AM
51	connect reservoir area with middle school area.	9/3/2018 8:19 AM
52	Provide walking/shuttle tours of the parks on a quarterly basis (or at least in this phase of review) for folks to see, compare, the different spaces and amenities	9/2/2018 2:53 PM
53	A fresh coat of paint at Big Creek Park.	9/2/2018 2:49 PM
54	Security! We need to feel safe when our kids are outside playing and not have to continually be looking over our shoulders or having to inspect the play structures before they run to get on them.	9/2/2018 8:00 AM
55	Hire summer help to beautify and maintain current and future areas. Use room tax to expand uses instead of just advertising expenses. Why come to a place when the bed isn't made?	9/1/2018 7:54 PM
56	Not enough safety	9/1/2018 3:41 PM
57	The recreation center is too expensive for the majority of the community members that are younger than retirement age.	9/1/2018 3:00 PM
58	I think we are blessed to have what we have however another kids park,better jogging trails, another disc golf course	9/1/2018 9:28 AM
59	Love Newport. Have friends who live there. Visit often. Glad this is being discussed. Your city has so much potential.	9/1/2018 9:25 AM
60	More parks that are open for use for small children during school hours when school playgrounds are unavailable.	9/1/2018 7:22 AM
61	We need more neighborhood parks stop classing school yards as a recreational site they belong to the school. Most of the state facilities are focused on tourism the city needs to focus on the local communities.	9/1/2018 6:03 AM
62	Thanks for what is already in place.	9/1/2018 2:40 AM
63	Covered play areas. More swings. Picnic tables. Agate beach has terrible beach access (pedestrian bridge perhaps?) it also attracts a lot of homeless population which dissuades locals and tourists. Sidewalks!	9/1/2018 12:30 AM
64	A play ground structure like Lincoln City's Regatta Park. It encourages creative active play. It appeals to a wide age range.	9/1/2018 12:10 AM
65	Work with local law inforcement to aggressively address the homeless population permanently residing at these facilities.	8/31/2018 11:25 PM
66	Get rid of forest park and extend the street!!	8/31/2018 10:55 PM
67	I enjoy the parks and trails year here year round. I am feeling less and less safe at the parks and on the trails due to constantly running into people doing drugs or camping out and throwing trash in and around the parks.	8/31/2018 9:17 PM

68	Dog agility!	8/31/2018 9:00 PM
69	Just landscaping beautification (Newport and surrounding areas in general \textcircled{O})	8/31/2018 3:49 PM
70	AGGRESSIVELY ENFORCE THE DOG LEASH LAW AND THE PET CLEAN -UP!!	8/31/2018 3:05 PM
71	Work with what is already there and improve it without adding additional tax burden to the residents of this community	8/31/2018 2:56 PM
72	Please understand that many babyboomers are retiring and young families are moving into the area to fill the jobs open from those retirements. In the 8 years we've lived here the number of younger families has increased greatly. You can't ignore the children and focus on the 65plus population only (the pool is a great example of focusing on the older population. I don't feel welcome because the dressing rooms are not family friendly and the older folks stare my kids down when we are there for toddler time) It's also hard to use the rec center when times for classes are during the day, and there's no childcare	8/31/2018 1:17 AM
73	To me, parks are places to see green, maybe have community gardens and a playground. I also see parks as a way to preserve some nature in an increasingly urban environment. It's fine if each part of town has playing fields, but there is zero need for an outdoor amphitheater when the PAC exists and Newport highschool gym and playing fields/bleachers exist. The city of Newport is a SMALL TOWN. Last census it had 12,000 full time residents. Some of them are homeless. The average income (according to state rep Gomberg is \$30,000/year. There is a limit to what a small town w/out an average income of 90,000/year can afford. How about the city focus on connecting north Newport, central Newport and South Beach by sidewalks/off of 101 walking routes that are direct yet a little protected & away from the exhaust & noise of 101? That's pretty basic, the city's had no difficulty doing that for motor vehicles (or heavily subsidizing private air travel to/from Newport), why can't it do so for pedestrians and bicyclists? Why can't Newport provide north east Newport with as many playgrounds & parks as it has central Newport?	8/30/2018 8:42 PM
74	I grew up in Milwaukee (Wisconsin) with miles and miles of public, free parks with all the amenities, so my expectations are high. Very few of the listed Newport park facilities are really truly usable parks. We need more neighborhood space where kids can play, seniors can walk and sit in the outdoors, and active adults can enjoy basketball, soccer, baseball, etc with no fees. The rec center and pool are nice if you can afford it; the senior center is nice, but not an outdoor space; I would not consider the farmers' market or commons outdoor recreation areas; the beach is great for those without mobility issues. We live in a beautiful area but have very few easily accessible areas to enjoy it.	8/30/2018 6:14 PM
75	More and better beach access should be high on Newport's priority list.	8/30/2018 4:31 PM
76	Newport Bee City, USA will draw tourist to Newport. Restoration for Native Pollinators with Native Species is seriously needed all over the City of Newport, including Residence. Rain Gardens are important too. Planting a variety of species for a four seasons is critical for Native Pollinators. Building Bat & Bee Nesting Sites could prove to be very important. Partnership's for Collaboration of Common Goals.	8/30/2018 3:41 PM
77	Yes we do not need to add more tourist attractions keep it more nautral to preserve our land. Don't add more parking to Don.Davis park keep the open area open	8/30/2018 2:54 PM
78	Customer service at the Newport Recreation Center is very difficult, especially communication between the pool and front desk staff at the recreation center. On multiple occasions I have tried to pay for my kids swim lessons or club house programming and they have no record of my child being there or me owing money. There are other parents that experience this too. I had to work VERY hard to prove I owed money. They needs to be a better communication system so front desk staff knows what is owed by offsite and/or pool programs.	8/30/2018 11:42 AM

80	Thank you for taking the time to involve the community to improve our community park and recreation areas!	8/30/2018 10:25 AM
