

CITY OF NEWPORT
RESOLUTION NO. 3930
A RESOLUTION ESTABLISHING BUSINESS VENDING AREAS
ON PUBLIC PROPERTY AND RIGHTS-OF-WAY
WITHIN THE CITY OF NEWPORT

WHEREAS, Newport Municipal Code Chapter 4.10 sets out standards for vending along streets, sidewalks and other public places; and

WHEREAS, such standards provide that the City Council, by resolution, may establish designated business vending areas, including the size limitations and number of stands permitted within a given area; and

WHEREAS, it has been more than 35-years since the City Council adopted a resolution amending the list of designated vending areas (Resolution No. 2680); and

WHEREAS, designated business vending areas, established with Resolution No. 2680, include public property that has since been developed with other uses such that it is no longer suitable for vending; and

WHEREAS, further, with the passage of Ordinance No. 2187, the City created new opportunities for food carts and food trucks to vend along streets and other public places and it is timely and appropriate for the City to revisit the designated vending areas so that potential vendors understand their options, particularly in congested tourist-oriented areas.

THE CITY OF NEWPORT RESOLVES AS FOLLOWS:

1. Designated business vending areas for fixed stands are limited to that portion of the Nye Beach Turnaround and the Hatfield Drive Pump Station property depicted on Exhibit A, with the following being the maximum number of business license vending endorsements that are to be available at any given time:
 - (a) Nye Beach Turnaround - Three (3) licenses.
 - (b) Hatfield Drive Pump Station Property - Three (3) licenses.
2. Designated business vending areas for mobile stands are limited to marked public parking spaces with a two (2) hour time limit, or longer, in the City Center, Bayfront and Nye Beach parking districts, as defined in NMC Section 14.14.100. The maximum number of business license vending endorsements that are to be available at any given time shall be as follows:
 - (a) Bayfront District - Four (4) licenses.
 - (b) Nye Beach District - Four (4) licenses.
 - (c) City Center District - Four (4) licenses.
3. This resolution repeals and replaces all prior resolutions establishing designated business vending areas on public property, and shall be effective on the date Ordinance No. 2187 takes effect.

Adopted by the City Council of the City of Newport this 7th day of September, 2021.

CM Hall, Council President
