1. MISSION AND GOALS

MISSION STATEMENT

The library's mission is to offer diverse materials for information and entertainment; provide personalized service to patrons of all ages; and foster the community's appreciation of reading and learning.

Goals

- The Library endeavors to maintain a high level of personalized professional service in the face of increasing demands.
- The Library provides access to diverse and popular materials.
- The Library fosters children's appreciation for reading and learning.
- The Library operates with the benefit of new technologies.
- Members of the community have access to an attractive library facility which has space for collections, user space, and program area.
- The Library develops avenues for individuals and organizations to support its mission and goals.
- The Library clearly articulates its current policies.

2. CIRCULATION POLICIES

2.1 PRIVACY POLICY

Newport Public Library protects the privacy of all library members, no matter their age.

In accord with Oregon Revised Statue 192.502(23), the Library will not disclose:

- circulation records, showing use of specific library material by a named person, or
- name of a library patron together with the address, telephone number, or e-mail address of that patron.

The Library's privacy policies are in compliance with applicable federal, state, and local laws.

2.1.1 Information Collected

Information we gather and retain about library users includes the following:

- Name, address, telephone number, e-mail address, birth date (required for registering for a library card.)
- Records of material checked out only in the case of unreturned items, charges owed, and payments.

We will not collect or retain your personally identifiable information without your consent. By registering for a library card, you consent to give us the information we request on the application.

If you consent to give us your information, we will keep it confidential and will not sell, license, or disclose it to any third party, except an agent working under contract to the library, unless we are required by law to do so.

We avoid creating unnecessary records and we do not engage in practices that might place information on public view.

We purge collected data on a regular schedule.

2.1.2 Access to Personal Information

We respect the privacy and confidentiality of all library users, no matter their age. Parents and guardians of minor children who wish to obtain access to their child's library records must provide the child's library card or card number. Similarly, if a friend or family member wishes access to your library records, they must present your card.

Library staff may access your personal data only for the purpose of performing their assigned duties. Staff will not disclose any personal data we collect from you or any other party except where required by law, or to fulfill your specific request.

2.1.3 Third Party Security

We ensure that the Library's contracts licenses and off site computer service arrangements reflect our policies and obligations concerning user privacy and confidentiality. When connecting to licensed databases outside the Library, we release only information that authenticates users as registered members of the Library or the Oceanbooks Network.

Nevertheless, users must be aware, when accessing remote sites, that there are limits to the privacy protection the library can provide. The library has limited ability to protect the privacy of information once it is outside of our control.

2.1.4 Choice and Consent

If we make a service available for your convenience that may in some way lessen our ability to protect your privacy, we will provide you with a privacy warning regarding that service. You will not be opted in to any such service without your consent. Whenever our practices change, we notify our users.

2.1.5 Web Site and Online Services

In order to access many of the Library's services on the Library's website, you must enable cookies on your computer. This allows our computer servers to verify that you are an authorized user. Cookies sent by our library servers will disappear after your computer browser is closed.

2.1.6 Enforcement and Redress

If you have a question, concern, or complaint about our handling of your private information, you may file written comments with the Library Director. We will respond in a timely manner and may conduct a privacy investigation.

The Library Director is custodian of library records and is responsible for responding to public records requests and inquiries from law enforcement officers. The Director may delegate this authority. The Director may confer with the City Attorney before determining the proper response to any request for records. We will not make library records available except in response to a subpoena, warrant, court order, or decision of the district attorney on a public records request.

2.1.7 Illegal and Prohibited Activity

Nothing in this statement prevents the library from exercising its right to enforce its policies or preventing the use of library facilities, resources, and services from being used for illegal purposes.

2.2 LIBRARY CARDS

2.2.1 Eligibility

All residents of the City of Newport are eligible for borrowing privileges at the Newport Public Library. By contractual agreement, residents of the Lincoln County Library District are also eligible for library services on the same basis as City residents. For all these library users, there are no fees required to receive a library card. Newport Public Library also honors current valid library cards from any other library which shares its patron registration records through the Oceanbooks Network.

2.2.2 Applications

In order to receive a library card, patrons 18 and older must complete an application for a Library Card, providing name, mailing address, street address, telephone number, date of birth, picture id, and the name, address, and phone number of someone at a different address, preferably a relative likely to know how to contact the applicant. Applicants 17 or younger must complete an application for a Library Card, providing name, mailing address, street address, telephone number, and date of birth, as well as the name, address, phone number, and signature of the parent or guardian accepting responsibility for the child's use of the library card.

2.2.3 Proof of Address and Identity

The person accepting responsibility for use of the library card (the adult applicant or the parent/guardian signing a minor's application) must provide proof of identity and of current residence address. Acceptable forms of proof of identity are a valid driver's license or a state ID card. Acceptable forms of proof of current residence address include: a valid driver's license, state ID card, utility bill, rent receipt, lease or mortgage agreement, imprinted check, or a postmarked piece of mail delivered to the street address. Staff members are encouraged to use sound but flexible judgment in accepting applications and address proof, remembering that our major aims are to verify that the applicant lives within the area that supports the Library financially and to have enough information to contact the patron regarding overdue, billing, and other notices. An exception will be made for "Internet Only" cards: see below.

2.2.4 Visitor Cards

Persons living outside the service area of the Oceanbooks Network and the Lincoln County Library District can obtain a Visitor Card, lasting one month for a nonrefundable fee of \$5.00. They must complete an application, providing local address and other contact information, verified permanent address and other contact information, and the same identification required of local residents.

2.2.5 Oregon Passport Cards

Oregon residents living outside the service area of the Oceanbooks Network and the Lincoln County Library District can obtain an Oregon Passport Card at no cost if they bring a valid library card from their home library. The home library must also be a participant in the Passport Program in order to get a Passport Card from Newport Public Library

Passport Card applicants must complete a registration form providing their verified permanent address and other contact information, which is the same identification required of local residents. Only two items at a time may be checked out on a Passport Card. No Interlibrary Loans are permitted on a Passport Card.

2.2.6 Non-Resident Cards

The library will provide cards to those living outside the service area of the Oceanbooks Network and the Lincoln County Library District for an annual fee for service established annually by the Library Board and approved by the Newport City Council. Non-residents must complete the regular application forms and pay the per-household fee at the time of application. (See Appendix A)

2.2.7 Honor Card Policy

In recognition of the fact that not all people have a permanent home address, Newport Public Library offers an "Honor Card." An Honor Card may be issued to patrons without a permanent address as long as they can provide identification. Only two items at a time may be checked out on an Honor Card. No Interlibrary Loans are permitted on an Honor Card.

2.2.8 Internet Only Cards

Internet Only cards provide patron-level public computer use privileges, but no other access or privileges, to regular users. No proof of identification or address is required. One card will be provided without charge per user; replacement cards must be purchased.

2.2.9 Institution Cards

Institution cards may be issued at the discretion of the Library Director. The person signing the application will be completely responsible for regulating use of the card and for all materials checked out on the card. The Library will not monitor individuals' use of an institution card.

2.2.10 Card Expiration and Renewal

All library cards, with the exception of fee cards, are valid for a period of two years from the date of application and may be renewed by verifying that application information is current.

2.2.11 "Card in Hand" Requirement and Exceptions

To conduct circulation transactions or to receive information about a cardholder's circulation records, patrons at the library must present a valid library card; if doing business by phone, they must provide the barcode number.

Discretionary exceptions to this policy may be made for the occasional forgotten library card, provided that the patron offers acceptable identification from the following list: driver's license or state ID card, school ID card, imprinted check, passport, voter's registration, canceled mail, credit card.

2.3 LOAN PERIODS AND RENEWALS

The loan period for all circulating materials, except DVDs, is two weeks; DVDs check out for one week.

Patrons may renew materials by contacting the library in person, by phone, or online, on or before the due date or during a seven-day grace period following the due date. An item will not be renewed if another person is waiting for it, if it has already been renewed two times, or if it is more than seven days overdue.

2.4 ITEM AND TRANSACTION LIMITS

To help optimize availability of the collection to the public, the Library applies the following limit on items that can be concurrently charged to a card:

- 50 total items

Because reserves and interlibrary loan requests are labor-intensive services, the Library applies the following daily limits on these transactions:

- 3 reserves / ILL requests by phone
- 5 reserves / ILL requests in person

Other requests beyond the limit may be negotiated, however, and patrons may place their own reserves without limit.

2.5 V-TEK MACHINE

The library has an older model V-TEK machine that is stored on site. This machine may be used upon request. Prior notification 24 hours in advance is required in order to streamline the user's experience as it takes at least 45 minutes to set up.

2.6 FINES AND FEES

Newport Public Library does not collect fines for overdue materials. A "conscience box" is available at the front counter for those who would like to contribute. The Library does collect fees for the following: interlibrary loans, replacement cards, visitor cards, nonresident cards, lost or irreparably damaged materials, photocopies and printing. The Library does allow library users to make up to five photocopies from most non-circulating materials without charge.

2.6.1 Refunds

Fees paid for lost materials may be refunded, less a processing fee, if a patron returns the material in good condition within three months of having paid the fee and presents a fee receipt.

2.7 OVERDUE AND BILLING NOTIFICATION

Patrons will be notified about overdue materials either by phone, email or mail. If a patron fails to return overdue materials within two weeks after a second notification has been made, the material will be considered lost and the patron will be billed for the replacement cost. Failure to return library materials is a violation of ORS 357.975 Willful detention of library property.

357.975 Willful detention of library property. It shall be unlawful for any person willfully or maliciously to detain any library materials belonging to a publicly supported library or privately supported school, academic or research library or incorporated library for 30 days after notice in writing from the librarian of such library, given after the expiration of time which by regulations of such library such materials may be kept. The notice shall bear upon its face a copy of this section and of ORS 357.990. [Formerly 357.830; 1975 c.476 §30]

PENALTIES

357.990 Penalties. Violation of ORS 357.975 is a Class B violation. Such conviction and payment of the fine shall not be construed to constitute payment for library material nor shall a person convicted under this section be thereby relieved of any obligation to return to the library such material. [Amended by 1971 c.743 §360; 1975 c.476 §31; 1983 c.208 §2; 1999 c.1051 §176]

2.7.1 Suspension of borrowing privileges for outstanding bills

The library will not check out materials to any patron with outstanding fines or fees, at any library or combination of libraries in the Oceanbooks Network, above an amount to be established by the Board. Borrowing privileges will be restored when materials are returned or outstanding fees are brought under the established amount.

2.7.2 Suspension of library privileges in families residing at the same address

Families whose members reside at the same address and who have been sent, cumulatively, at least three long overdue billing letters within the past two years, will have all family accounts blocked until all items have been returned or paid for, or all the outstanding fees have been brought under the established ceiling.

Privileges will be restored when materials are returned or fees are paid as required.

2.8 INTERLIBRARY LOAN

PURPOSE

The Library maintains a collection in Newport that is responsive to the needs and interests of its community. It is not possible, however, for the Library to own every title that a person might want. Some items may be obtained from other libraries as Interlibrary Loans (ILL). An

Interlibrary loan is an item borrowed from other library systems, either in Oregon or elsewhere in the country.

The Library will attempt to meet the needs of its patrons primarily by developing a diverse collection. However, in the event that the Library's circulation and reference materials are inadequate to meet a particular need, the Library will, upon patron request, attempt to borrow desired material from other libraries. The Library will honor other lending institutions' policies, including loan periods, replacement charges, and non-renewal or in-library-use policies.

ELIGIBILITY

Newport Public Library endorses and, within its practical limitations, will abide by the Oregon Library Association's [Interlibrary Loan Code for Oregon Libraries](#) and Online Computer Library Center (OCLC) protocol. An Oceanbooks library card (resident or visitor) in good standing is required.

BORROWING MATERIALS

All types of materials may be requested, but audio, video and genealogy items are sometimes difficult to borrow. Recently-released titles are also not generally available through ILL.

LENDING MATERIALS

Staff will make every effort to fulfill requests for specific items in the collection, with the exception of those designated as Reference. Requests from other libraries for subject searches or other in-depth reference services will be addressed only as staff time allows. In fulfilling interlibrary loan requests from other libraries, Newport Library will charge no fees and will process all such requests in a timely fashion.

RULES AND REGULATIONS

ILL materials can only be checked out on the library card of the person who requested them. It is the patron's responsibility to pick-up and return ILL materials on time. The length of the loan period is determined by the lending library. Patrons may have up to three (3) active requests per month. Active requests are those at any stage of the Interlibrary Loan process: requested, in process or checked out.

No more than three interlibrary loan requests will be taken from a single patron at one time.

No more than three in-person requests from a single patron will be taken at one time.

CHARGES

The Newport Library always attempts to borrow from libraries who lend free of charge. Newport Library will not borrow materials from institutions charging an interlibrary loan fee, unless the materials are unavailable from other sources locatable with a reasonable effort and the patron agrees to pay the lending institution's fee.

To help defray the costs of this service, a fee will be charged to the patron for each item received. For out-of-county loans, the fee will be charged even if the patron does not pick the item(s) up.

We charge \$1.00 for each item borrowed from outside Lincoln County. This charge is applied to your account even if you do not pick up the item.

In-county loans, from the Toledo, Siletz, Waldport, and Oregon Coast Community College libraries, are free.

OVERDUE AND DAMAGED MATERIALS

See the current Fee Schedule, Appendix A, for charges related to overdue or damaged ILL materials.

2.9 LIBRARY OF THINGS

OVERVIEW

The Library of Things is a collection of non-traditional library items that complement the Newport Public Library's mission to provide equitable access to materials, entertainment, information and technology services of the highest quality to our diverse multigenerational community. Patrons who borrow a Library of Things item agree to abide by the Newport Public Library's Library of Things lending guidelines.

TYPES OF MATERIALS INCLUDED IN COLLECTION

The purpose of the Library of Things collection is to provide diverse opportunities for learning and engagements. The Library of Things collection is intended to be comprehensive and the Library is limited by a finite amount of storage space. A list of items in the Library of Things will be maintained on the library website and a catalog of items will be available for viewing at the Library.

PROCUREMENT OF MATERIALS

The Library of Things collection is developed and managed to meet the cultural, informational, educational, and recreational needs of library patrons in Newport. The Library's staff will select materials based on the needs of library patrons. The Library welcomes input from the community concerning the collection. A form for purchase suggestions will be available online as well as in paper format. All suggestions are evaluated using the same selection criteria as for other materials and are not automatically added to the collection.

The Library can accept a limited number of donations, which must be presented as outright gifts. Donated materials are received with the understanding that they are

subject to the same selection, evaluation, and withdrawal criteria as material acquired for purchase.

EVALUATION OF COLLECTIONS

The Library will use circulation data and community suggestions to guide future selection for the Library of Things collection. Items that do not circulate and items in poor condition will be withdrawn from the Library collection.

LIBRARY'S USE OF THINGS

The Library reserves the right to take a Library of Things item out of circulation temporarily to use for Library purposes (workshops, demonstrations, or other programs) or to repair a damaged item

GUIDELINES FOR BORROWING AND USE

Objects loaned out by the Library through its Library of Things program must be checked out from and returned to the Circulation Desk of the Newport Public Library. A valid Newport Public Library card with no outstanding fines above \$25 is required to borrow a Library of Things item. Borrowers of Library of Things items must be 18 years of age or older and must sign a copy of the Library of Things Lending Agreement.

LOAN PERIODS AND FINES

Library of Things items may be borrowed for 2 weeks and with no renewals. While there are no overdue fines, patrons will be charged the full replacement cost for items not returned within 30 days of their due date. A cleaning fee of \$10 will be assessed for items that are returned in a state of deterioration. If a Library of Things item is damaged, destroyed or not returned, the patron will be charged the full replacement cost of the Library of Things item. Please refer to the Library's fee schedule for more information.

PROPER USE AND LIABILITY

The borrower is solely responsible for the Library of Things item and will be billed for reasonable repair or replacement costs associated with damage or loss of Library of Things items and/or peripherals due to neglect or abuse. The Library has sole discretion in making these decisions. Responsibility for a child's use of Library materials, regardless of format or content lies with the parent or guardian, not with the Library.

A list of replacement costs of Library of Things items is maintained by the Library and is available upon request. The Library of Things agreement has the price listed for the item. The Library of Things Lending Agreement is available online, in paper format,

and upon request. Patrons will be asked to sign a copy of the Library of Things Lending Agreement each time a Library of Things item is checked out.

The Newport Public Library and City of Newport are not responsible for any injury, loss, or damage that may occur from use of a Library of Things item.

The responsibility to protect against loss is the borrower's responsibility. Staff will inspect Library of Things items prior to borrowing and again upon return. Return the Library of Things item(s) with all parts and components in the original Library container to the Circulation Desk. **Before the Library of Things item is checked in, please allow up to 96 hours for inspection, check-in, and a replacement cost and/or cleaning fee assessed.** Patrons are responsible for any damage to a Library of Things item while in their possession.

Library of Things Lending Agreement

By borrowing a Library of Things item, I agree:

- To abide by the Newport Public Library's Library of Things lending guidelines.
- To pay full repair and/or replacement cost and/or cleaning fee should the Library of Things item or parts and components of the Library of Things item be stolen, lost, destroyed, not returned, or damaged, while in my possession.

3. POLICIES REGARDING USE OF NON-CIRCULATING EQUIPMENT

Newport Public Library encourages the public to explore and utilize the technological tools discussed below, which are available for public use in the library.

To protect the community's investment in this equipment, the Library reserves the right to hold patrons financially responsible for damage to any Library equipment. The Library also reserves the right to deny access to equipment or to suspend library privileges for any of the following reasons:

- deliberately or repeatedly misusing equipment or software
- tampering with hardware or software security systems or with any Library-installed files or programs
- introducing virus-bearing software into Library computers
- violating any equipment-specific policies stated below.

3.1 PUBLIC ACCESS COMPUTERS

Public Access Computers

Newport Public Library makes computers, selected software, and laser printers available for public use, charging for printing only. The computers are intended for personal and not for commercial uses.

It is not possible to save items on the hard drive; patrons wishing to preserve files must save them on their own thumb drives. The Library is not responsible for disclosure or erasure of any files on the public access computer.

Internet Use Policy

Internet access opens up a universe of informational, educational, and recreational resources, and the Library is pleased to offer it to the public. Patrons should note, however, that the Internet is an open unregulated forum and that the Library cannot control, select, or monitor the constantly changing material accessible through it. Library users access the Internet at their own discretion and may find some materials inaccurate or objectionable. As with all Library materials, individuals are responsible for determining what is appropriate for them and their families. The Library strongly urges parents and guardians of minor children to monitor and set guidelines for young people's Internet use.

Guidelines for Internet Use:

- The Library prohibits the use of library equipment to access child pornography
- Use is limited to time posted.
- See the current Fee Schedule, Appendix A, for charges related to printing. No more than two people may use a station at one time, unless otherwise permitted by staff.

- Users are not permitted to add, delete, or modify any hardware or software
- or to load personal software on Library machines; patrons are liable for any damage to equipment and may suffer loss of library privileges.
- The Library reserves the right to terminate an Internet session at any time for failure to comply with this policy.
- Anyone aggrieved by loss of library privileges may appeal to the City Manager.

The City of Newport, including the Newport Public Library, is not responsible for any user's misuse of copyright or other violation of local, state, or federal law or regulation; the user agrees, by use of the City's equipment, to indemnify, defend, and hold the City of Newport, its officers, agents, employees and volunteers harmless from any claim, action or loss arising from use of the City's equipment and services, including Internet access.

3.2 PHOTOCOPIER

Newport Public Library makes photocopying available for public use. The Library will allow patrons to make 5 free copies per day from most non-circulating library materials but will collect a fee for all other photocopies.

3.3 INTERNET AND OTHER COMPUTERIZED REFERENCE TOOLS

Newport Public Library offers selected computer reference and bibliographic tools for public use. Computers, modems, and terminals that support these tools shall be used only for applications specified and installed by the Library. Library staff will instruct and assist patrons in the use of these tools as necessary. Use is limited to times posted, one session per day unless otherwise permitted by staff.

3.4 SOCIAL SOFTWARE POLICY FOR NEWPORT PUBLIC LIBRARY USERS

Newport Public Library offers social software tools for educational, cultural, civic and recreational purposes. Library social software tools provide a limited (or designated) public forum to facilitate the sharing of ideas, opinions and information about library-related subjects and issues. Library social software is intended to create a welcoming and inviting online space where library users will find useful and entertaining information and can interact with library staff and other library users. Comments are moderated by library staff and the library reserves the right to remove comments that are unlawful or off topic.

DEFINITION OF SOCIAL SOFTWARE

Social software is defined as any web application, site or account offered by the library that facilitates the sharing of opinions and information about library related subjects and issues. Social software includes such formats as blogs, listservs, websites, social network pages or posts to community reviews and patron ratings of library materials.

RULES FOR COMMENTING

Protect your privacy. Do not post personally identifying information. Young people under age 18, especially, should not post information such as last name, school, age, phone number, address.

Posts containing the following are against library rules and will be deleted before posting or removed by library staff:

- Copyright violations
- Off topic comments
- Commercial material/spam
- Duplicated posts from the same individual
- Obscene posts
- Specific and imminent threats
- Libelous comments
- Images

By choosing to comment you agree to these rules.

3.5 NEWPORT PUBLIC LIBRARY 3D PRINTER POLICY

The Newport Public Library provides access, training, and technology to everyone and offers programs, materials, and tools of creation to people who have limited access or opportunity. By offering access to technologies, such as 3D printers, we build digital literacy and ensure success in a digital world. This policy establishes how and under what circumstances the public may use the Newport Public Library's 3D printer.

Rules Governing Use of Newport Public Library 3D Printer:

1. The Newport Public Library's 3D printer is available to Newport Public Library patrons, with library cards in good standing, to make three-dimensional objects using a design that is uploaded from a digital computer file.
 - a. The public will not be permitted to use the Library's 3D printers to create material that is:
 - i. Prohibited by local, state, or federal law.
 - ii. Unsafe, harmful, dangerous, or poses an imminent threat to the well-being of others, including but not limited to drug paraphernalia and weapons. (Such use may violate the terms of use of the 3D printer design software.)
 - iii. In violation of federal, state, or local laws or regulations regarding accessing, viewing, printing, and distributing obscenity or child pornography.
 - iv. In violation of another's intellectual property rights or the 3D printer design software terms of use. For example, the printer shall not be used to reproduce material that is subject to copyright, patent, trademark, or trade secret protection.
2. The Library reserves the right to refuse any 3D print request.

3. Cost: 3D printing at the library is currently free, made possible by an Oregon State Library Teen Services Grant. The Library reserves the right to charge a fee in the future to cover the costs of printing materials.
4. Items will go into the queue to be printed. Once completed, staff will contact patrons to let them know that their item is available for pick up.

4. COLLECTION DEVELOPMENT POLICIES

4.1 COLLECTION STATEMENT FOR BOOKS

Newport Public Library seeks to provide popular material reflecting diverse points of view to satisfy the informational and recreational reading needs of our community. The Library will not attempt to collect scholarly material, rare books, or manuscripts.

Although the Library Board is ultimately responsible for selection choices, the day-to-day responsibility for selection rests with appropriate staff.

Most materials will be selected on the basis of reviews in standard library publications such as Booklist, Library Journal, School Library Journal, and Children's Catalog. Reviews from other sources will also be consulted, if appropriate.

Within budgetary constraints, the Library will attempt to fulfill patron requests if the material requested seems appropriate to the collection.

The Library will attempt to identify populations with specialized informational needs and purchase materials they are able to utilize.

The Library will accept donations of books if they conform to the guidelines of the donations policy. Unusable materials will be disposed of as the Library sees fit.

The Library will purchase historical, general, comparative, and primary religious materials (the Bible, the Koran, etc.) The Library will not attempt to collect extensively in the literature of any particular religion.

4.2 COLLECTION STATEMENT FOR DVDS

The Library does not attempt to restrict or label videos as appropriate for particular age groups. It is the responsibility of parents or guardians to monitor what children view.

While some videos include public performance rights, most of the Library's collection is intended for home use, and the Library assumes no responsibility for license infringement.

The Children's Area of the Library is reserved for children, their parents or responsible adult caregivers. Adults and teens unaccompanied by a child, may only enter the Children's Area to obtain books or other children's materials. Extended browsing, reading or loitering in the Children's Area by unaccompanied adults and teens is not allowed. Out of concern for the safety of children, it is Library policy to ask unaccompanied adults and teens to move to another area of the Library.

5.10.2 Enforcement

When a library staff person becomes aware that any patron is violating a library rule, the staff person shall take appropriate enforcement measures. Appropriate enforcement measures include:

- For minor violations, the staff person may simply ask the patron to comply with the rule.
- For serious violations (including disruptive behavior and failure to comply when requested) and for repeated violations, the staff person may require the person to leave the library premises and not return the same day.
- Any instance of serious violation shall be reported to the library director or designee, who shall decide whether an additional sanction is appropriate. First time offenders will be excluded from the library for a period of 30 days. Second offenses carry an exclusion for 90 days and third a violation carries an exclusion for 180 days. In certain situations permanent exclusion may be applied.

Personal delivery of the notice is sufficient, whether or not the library has an address for the person. A copy of the exclusion notice shall be sent to the police department.

The exclusion shall be effective seven days from mailing or personal service of the notice.

Failure to leave or re-entering the library property prior to termination of a suspension will be deemed to constitute a trespass.

Persons wishing to appeal an exclusion may appeal by submitting a written appeal to the City Manager within seven days of receiving a notice. The exclusion period shall not begin until the appeal is resolved. If the exclusion period has started before the appeal is filed, library privileges and the right to enter library property will be reinstated until the decision on appeal. The City Manager or designee will then hear the appeal within one week of receipt of the appeal. The City Manager's decision shall be final.

5.11 POLICIES GOVERNING THE TEEN ROOM

5.11.1 Purpose and Philosophy

The Newport Public Library Teen Room is specifically designed for the use of middle school, high school, and home school students in accordance with our mission to provide personalized service to patrons of all ages. Youth services librarians use an understanding of teen needs and developmental stages to foster positive relationships with teens who use the Teen Room. In addition, they select materials, activities, and programs for the breadth of the twelve through eighteen-year-old age group. All library staff strive to maintain the room as a safe and supportive space for teens, treat all teens fairly and respectfully, and apply behavior guidelines calmly and consistently.

5.11.2 Age Guidelines

The Teen Area of the Library is reserved for young adults – ages 12 through 18. Unaccompanied adults may only enter the Teen Area to obtain books or other teen materials. Extended browsing, reading or loitering in the Teen Area by unaccompanied adults is not allowed. Out of concern for the safety of teens, it is Library policy to ask unaccompanied adults to move to another area of the Library.

5.11.3 Behavior Guidelines and Consequences

All behavior requirements found under Newport Library Policy 5.10 apply in the Teen Room. However, staff recognizes the Teen Room may be a more boisterous environment, with noise comparable to a Library program when in full use. Overall, we expect teens to treat each other, the space, the staff, the materials and other patrons with respect. Inappropriate physical contact will not be allowed. Repeated problem behaviors may result in exclusion from the Teen Room and the Library. Any behavior considered by the staff to be abusive, hostile, or aggressive may result in the police being notified and further appropriate actions being taken. Vandalism or damage to Library property or to Library grounds will also result in exclusion from the Teen Room and Library and the police being notified. Just as in the rest of the library, when library staff become aware that any patron is violating a library rule in the Teen Room, staff will take appropriate enforcement measures, which include:

- For minor violations, the staff person or security personnel will inform the teen(s) of the rule and calmly ask the teen(s) to comply with the rule.
- For more serious violations (including disruptive behavior and failure to comply when requested) and for repeated violations, the staff person or security personnel may require the person to leave the library premises for the remainder of the day, using a respectful and calm tone.
- Any instance of serious violation shall be reported to the library director or designee, who shall decide whether an additional sanction is appropriate. First time offenders will be excluded from the library for a period of 30 days. Second offenses carry an exclusion for 90 days and third a violation carries an exclusion for 180 days. In certain situations permanent exclusion may be applied.
- Any criminal activity shall be reported to the City police department or to 911.

5.11.4 Gaming Guidelines

In its ongoing effort to provide services and programs that encourage teens to utilize the Library, the Newport Library Teen Room has dedicated space and equipment for gaming. Recognizing the ongoing popularity of video gaming and the social benefits that result from gaming activities, the Library has provided a Playstation 4 gaming system.

In order to use the gaming equipment, teens must:

- have an Oceanbooks library card, visitor card, or honor card in good standing
- read and agree to gaming system rules before using the equipment:

Volunteers are expected to respect the privacy of library patrons, staff, and library operations. Volunteers must adhere to the library's confidentiality policies and maintain professional behavior at all times.

6.8 Right to Modify and Terminate Volunteer Opportunities

The Newport Public Library reserves the right to modify or terminate volunteer roles at any time, based on the library's needs or the volunteer's performance. Volunteers may also choose to withdraw from the program at any time, with prior notice to the volunteer coordinator.

6.9 Volunteer Feedback and Program Evaluation

The Newport Public Library is committed to continuously improving the volunteer program. Volunteers will have opportunities to provide feedback on their experience through surveys or interviews, and their suggestions will be considered for program development. Periodic evaluations will also be conducted to assess the effectiveness of the program.

7. ADULT OUTREACH SERVICES POLICY

MISSION AND PURPOSE

The mission of Outreach Services of Newport Public Library is to provide library materials to adults who are not able to come to the library due to physical or institutional limitations.

PROGRAMS AND PRIVILEGES

Materials available through Outreach include regular print and large print books, audio books on CD, films on DVD, music on compact discs, magazines and Interlibrary Loans. Applications to the Local Talking Book and Braille Library are provided upon request.

Outreach is one of the many services of the Library; it follows the same procedures of the library as a whole. Nevertheless, certain benefits are extended to those who participate in the program.

7.1 NURSING HOMES, ASSISTED LIVING FACILITIES, SENIOR CARE SERVICES, SENIOR APARTMENT COMPLEXES, AND ADULT HOMES

Bi-monthly visits are made by library staff. Visits may be in the form of browsing hours or room-to-room visits. Residents may make special requests, or choose from the items brought. Library staff is responsible for selecting these collections.

7.2 INDIVIDUAL HOMEDELIVERY SERVICE

Those desiring home delivery service must be confined to their homes for a minimum of 3 continuous months. They must complete an application interview to determine if they qualify for the program, and to assess their reading or listening interests and needs. Applicants already having library cards must be free of charges before they begin the program. Their cards will then be changed to Outreach status. A home delivery library card will be issued if the patron does not already have a library card. Materials are requested by the homebound patron through the Outreach staff at the time of their scheduled visit, by calling the library, or through the online catalog.

AGENCY AND INDIVIDUAL RESPONSIBILITIES

7.3 AGENCIES

It is expected that the facility will be cooperative in ensuring that loaned materials are returned to the library. Materials lost from the agency, for which a reasonable search has been made by library staff and the agency itself, will not be charged to that agency or patron. However, materials damaged by a resident borrower able to pay for replacement, will be billed by the library. Materials loaned to an agency must stay in the facility for use by or with residents. No personal loans are made to staff or family members of residents. If a resident is discharged from the facility, they should leave their materials with the designated library contact. They should never take these materials home.

7.4 HOME DELIVERY RESPONSIBILITIES

Home delivery borrowers should return materials by their due dates, or contact their volunteer or the Library for renewals. They are responsible for all fees associated with lost or damaged materials. Homebound borrowers must notify the library should they become able to visit the library again. Their registration will be changed to that of a regular library patron with normal borrowing privileges. They may re-register should their circumstances change in the future by notifying the Adult Outreach Librarian at 541-265-2153.

AMERICAN LIBRARY ASSOCIATION'S BILL OF RIGHTS, FREEDOM TO READ, FREEDOM TO VIEW, AND LABELING STATEMENTS

The Newport Public Library Advisory Board endorses the American Library Association's Bill of Rights, Freedom to Read, Freedom to View and Statement of Labeling. To wit:

Library Bill of Rights

The American Library Association affirms that all libraries are forums for information and ideas, and that the following basic policies should guide their services.

1. Books and other library resources should be provided for the interest, information and enlightenment of all people of the community the library serves. Materials should not be excluded because of the origin, background, or views of those contributing to their creation.
2. Libraries should provide materials and information presenting all points of view on current and historical issues. Materials should not be proscribed or removed because of partisan or doctrinal disapproval.
3. Libraries should challenge censorship in the fulfillment of their responsibility to provide information and enlightenment.
4. Libraries should cooperate with all persons and groups concerned with resisting abridgment of free expression and free access to ideas.
5. A person's right to use a library should not be denied or abridged because of origin, age, background, or views.
6. Libraries which make exhibit spaces and meeting rooms available to the public they serve should make such facilities available on an equitable basis, regardless of the beliefs or affiliations of individuals or groups requesting their use.

[Adopted June 18, 1948. Amended February 2, 1961, June 27, 1967, and January 23, 1980, inclusion of "age" reaffirmed January 23, 1996, by the ALA Council]

Freedom to Read

1. It is in the public interest for publishers and librarians to make available the widest diversity of views and expressions, including those which are unorthodox or unpopular with the majority. Publishers, librarians and booksellers do not need to endorse every idea or presentation contained in the books they make available. It would conflict with the public interest for them to establish their own political, moral or aesthetic views as a standard for determining what books should be published or circulated.
2. It is contrary to the public interest for publishers or librarians to determine the acceptability of a book on the basis of the personal history or political affiliations of the author.
3. There is no place in our society for efforts to coerce the taste of others, to confine adults to the reading matter deemed suitable for adolescents, or to inhibit the efforts of writers to achieve artistic expression.
4. It is not in the public interest to force a reader to accept with any book the prejudgment of a label characterizing the book or author as subversive or dangerous.

5. It is the responsibility of publishers and librarians, as guardians of the peoples' freedom to read, to contest encroachments upon that freedom by individuals or groups seeking to impose their own standards or tastes upon the community at large.
6. It is the responsibility of publishers and librarians to give full meaning to the freedom to read by providing books that enrich the quality and diversity of thought and expression.
7. By the exercise of this affirmative responsibility, they can demonstrate that the answer to a bad book is a good one, the answer to a bad idea is a good one.

Adopted June 25, 1953; revised January 28, 1972, January 16, 1991, by the ALA Council and the AAP Freedom to Read Committee.

Freedom to View

1. To provide the broadest access to film, video, and other audiovisual materials because they are a means for the communication of ideas. Liberty of circulation is essential to insure the constitutional guarantee of freedom of expression.
2. To protect the confidentiality of all individuals and institutions using film, video, and other audiovisual materials.
3. To provide film, video, and other audiovisual materials which represent a diversity of views and expression. Selection of a work does not constitute or imply agreement with or approval of the content.
4. To provide a diversity of viewpoints without the constraint of labeling or prejudging film, video, or other audiovisual materials on the basis of the moral, religious, or political beliefs of the producer or filmmaker or on the basis of controversial content.
5. To contest vigorously, by all lawful means, every encroachment upon the public's freedom to view.

This statement was originally drafted by the Freedom to View Committee of the American Film and Video Association (formerly the Educational Film Library Association) and was adopted by the AFVA Board of Directors in February 1979. This statement was updated and approved by the AFVA Board of Directors in 1989. Endorsed January 10, 1990, by the ALA Council

Statement on Labeling

An Interpretation of the Library Bill of Rights

Labeling is the practice of describing or designating certain library materials by affixing a prejudicial label to them or segregating them by a prejudicial system. The American Library Association opposes this as a means of predisposing people's attitudes towards library materials for the following reasons:

1. Labeling is an attempt to prejudice attitudes and as such, it is a censor's tool.
2. Some find it easy and even proper according to their ethics, to establish criteria for judging publications as objectionable. However, injustice and ignorance rather than justice and enlightenment result from such practices, and the American Library Association opposes the establishment of such criteria.
3. Libraries do not advocate the ideas found in their collections. The presence of books and other resources in a library does not indicate an endorsement of their contents by the library.

Adopted June 25, 1953, by the ALA Council and the AAP Freedom to Read Committee; amended January 28, 1972; January 16, 1991; July 12, 2000; June 30, 2004. Adopted March 11, 2015, by the Newport Public Library Advisory Board
