MISSION STATEMENT

The mission of the Newport Police Department is to consistently invest available resources toward our City's reputation as a safe place to live, work, play, learn, and visit.

This will be accomplished by complying with professional standards established by the Oath of Office, Professional Code of Ethics, and administrative directives. We will perform in a manner that promotes the public's trust, confidence, and sense of safety and security.

MESSAGE FROM THE INTERIM CHIEF OF POLICE

On behalf of the men and women of the Newport Police Department, I am proud to present our 2016 Annual Report. 2016 was a year of growth, challenges, and changes to the Newport Police Department. 2016 marked the retirement of Chief Mark J. Miranda, who served 13 years as Newport's Chief, and had a law enforcement career that spanned more than 46 years. During Chief Miranda's tenure, Chief Miranda led the charge to improve policies, increase community involvement, and increase the overall professional image of the Newport Police Department. A crowning achievement for the Newport Police Department under Chief Miranda's leadership was achieving Oregon Accreditation. We were first awarded Accreditation in 2013, and have continued to strive to meet all Accreditation standards.

In 2016, the City of Newport and the Lincoln County School District entered into a partnership to fund a much needed School Resource Officer (SRO) for Newport area schools. The purpose of our SRO is to provide resources for students, parents, and school staff. We were fortunate to staff our SRO position at the beginning of the 2016 school year. In a few short months, we saw tremendous benefits to the full-time SRO. We look forward to our continued relationship with the School District as our SRO position develops.

Personnel changes continued to be a trend that affected not only the Newport Police Department, but law enforcement nationwide. In 2016, the Newport Police Department hired six new sworn officers to fill vacancies due to retirement and other employment separations. While we have many new faces patrolling our streets, we were fortunate to hire two lateral officers, each with 16 years of police experience. Officer Dustin Watson, who comes to us from Brookings, Oregon, was assigned as our School Resource Officer. Officer Mike Leake comes to us from Lincoln City, Oregon. Both Officer Watson and Officer Leake quickly acclimated to Newport, instantly filling vacancies created by senior officers. Additionally, our Community Service Officer, Jim Folmar, transferred from his CSO position to that of a sworn Police Officer. To round out our new officer class of 2016, Officer Calvin Davis and Officer Jack Dunteman were hired as entry level Police Officers.

The Newport Police Department strives to build the best Police force possible. Hiring the right police officers with the right mindset can be a difficult task. We have built a solid hiring and training program to ensure a proactive, community-oriented force. We want a police force comprised of individuals who are just as human as the community we serve.

MESSAGE FROM THE INTERIM CHIEF OF POLICE

Policing is a challenging, yet rewarding career. We are fortunate in Newport to serve an incredible community, and we are privileged to have a unique bond with the citizens we serve. I would like to thank the citizens and visitors of Newport, and especially the men and women of the Newport Police Department, for making Newport truly one of the greatest places to live, work, play, and visit.

RETIRED CHIEF OF POLICE MARK J. MIRANDA

Chief Mark Miranda began his 46-year career in law enforcement in California in 1970 with the Palo Alto Police Department. In 1975, he moved to Arizona to join the force at the Tucson Police Department. He remained there until 1981, when he moved to Oregon to become a Deputy with the Lane County Sheriff's Office.

Budget cuts in Lane County resulted in only a brief period of employment with them. That same year Chief Miranda accepted a position as Deputy with the Tillamook County Sheriff's Office for three years.

In 1984, he became a Police Officer with the Keizer Police Department, where he rose to the rank of Captain. After 19 years with Keizer PD, he accepted the position of Chief of Police at the Newport Police Department in 2003. That same year he retired from the United States Coast Guard Reserve as a Senior Chief Petty Officer.

Chief Miranda holds a Bachelor of Science Degree from Eastern Oregon University. He is a graduate of the FBI National Academy (198th Session), and the

Oregon Executive Development Institute. He holds Police Executive Certification in the State of Oregon.

Chief Miranda has taken our Department to a more professional and transparent law enforcement agency in his 13-plus years with us. He developed a new policy manual that will be adhered to in future years, and he brought our Department into compliance with the requirements to receive accreditation by the Oregon Accreditation Alliance (www.oracall.org).

We will miss his leadership and professionalism, his sense of humor and infectious laugh, and his smiling face every day. After 46 years in law enforcement, his retirement is well-deserved.

Happy retirement, Chief! Thank you for your service, not only to the community of Newport, but to the entire family of law enforcement.

SCHOOL RESOURCE OFFICER

In September 2016, Officer Dustin Watson was assigned to the four Newport schools as School Resource Officer. A school resource officer (SRO) is a sworn law enforcement officer that operates within the school environment. An SRO proactively promotes school safety, and supports school success, by: a) educating students and staff on issues today's youth struggle with; b) developing positive and trusting relationships with students and staff; and c) assisting school principals with law enforcement issues at school.

Officer Watson has been with the Newport Police Department since June 2016. He was with the Brookings Police Department for 15 years, where he was a School Resource Officer and dog handler.

The cost of the SRO is being shared between the Newport Police Department and the Lincoln County School District, with a generous pledge of \$5,000 per year for three years from Bank of the Cascades.

The School Resource Officer is responsible for handling incidents that occur on school property during normal school hours and after school events. School Resource Officer responsibilities include:

1. Child abuse investigations
2. Criminal damage to school property
3. Theft of school property
4. Theft of personal property
5. Protection of school personnel
6. Training of school personnel in handling emergencies
7. Assistance in writing school emergency policies
8. Prevention of illegal drugs on school property
9. Seizure of firearms and other illegal weapons on school property
10. Attending after-school events, such as dances, ball games, festivals, etc.
11. Assisting in reducing intimidation/bullying of students by other students
12. School Resource Officers shall perform initial and follow-up investigations for most offenses reported during school (theft, robbery, assault, destruction to property, etc.) that occurred on a school campus
13. School Resource Officers will place criminal charges against offenders when legally appropriate

On school property, school personnel have authority that police officers do not have. The School Resource Officer may assist school personnel in matters for which school personnel have primary responsibility.

CITY CENTER MOTEL FIRE

At 5:48 a.m. on August 5, 2016, Officers responded to a report of a fire at the City Center Motel located at 538 SW Coast Highway.

Officers arrived on scene to find a major section of the motel fully engulfed in flames. Police and Newport Fire Department personnel began to evacuate the motel while initiating firefighting operations. Guests at the Days Inn, south of the City Center Motel, were evacuated as the fire spread to portions of that motel.

Members of the Newport Police Volunteers

were immediately called out to assist with traffic and crowd control.

As the fire continued to spread, a call went out to regional fire departments to assist. Fire apparatus and personnel from Toledo, Siletz, Depoe Bay, North Lincoln, Seal Rock, Waldport, and Yachats responded.

Fire personnel conducted an initial sweep of the motel, and did not find anyone inside. Three guests were transported to Pacific Communities Hospital in Newport – two with minor injuries. They were treated and released. The third guest suffered burns and smoke inhalation, and was transported to Legacy Emmanuel Burn Center in Portland.

Temporary shelter for all guests was established at the Newport Armory on Highway 101. The Red Cross also responded to the scene to assist with displaced guests. Highway 101 was closed for several hours as traffic was diverted around the fire scene.

At 4:00 p.m., two bodies, one male and one female, were discovered deceased beneath the burned rubble.

At approximately 8:00 p.m., two additional bodies were discovered deeper inside the burned building.

CITY CENTER MOTEL FIRE

As a result of the fire, the rooms occupied by the deceased guests became engulfed in flames, which blocked the entry/exit of each room. As the fire spread, the second floor collapsed onto the first floor.

CITY CENTER MOTEL FIRE

The origin of the fire was determined to be in room 103, which was a ground level room. The investigation was conducted by the Newport Police Department, and Newport Fire Department, with assistance from the State of Oregon Fire Marshall's Office.

On April 17, 2017, Rebecca Sinclair of Toledo, Oregon, was arrested by Newport Police and held at the Lincoln County Jail on \$750,000 bail. According to court documents, 38-year-old Sinclair faces four counts of manslaughter, four counts of criminally negligent homicide, seven counts of recklessly endangering another person, and one count of reckless burning.

FUGITIVE CAPTURED AFTER 19 YEARS

In April 1997, Newport Police Officers investigated a report that an 11-year-old female and a 13-year-old female had been sexually assaulted by Eric Francisco DeCleve, age 24 of Newport. During the investigation, it was learned that DeCleve had provided controlled substances to the two minors, and then assaulted them. DeCleve confessed to having sexually assaulted both minors. He was arrested on May 2, 1997 on two counts of Rape in the First Degree, two counts of Rape in the Second Degree, Delivery of a Controlled Substance to a Minor First and Second Degree, and Attempted Sodomy First Degree. He was lodged at the Lincoln County Jail.

Shortly after his arrest, DeCleve posted bail and was released from jail. He then fled the country to avoid prosecution. After missing his arraignment in Lincoln County Circuit Court, a Full Extradition warrant was issued for DeCleve's arrest.

In 2004, the Newport Police Department received information from U.S. Immigration that DeCleve may be living in Mexico near the U.S. border. DeCleve could not be located at that time.

In February 2016, while reviewing cold case DNA files, Newport Police Detectives determined DeCleve had never been arrested on the outstanding charges.

Newport Police worked closely with the FBI to locate DeCleve, who was now living and working in Cancun, Mexico. The investigation determined DeCleve was working as a surfing instructor in Cancun, Mexico, living under the name Eric Victor Munhoven Navarro. The FBI worked with Mexican officials to capture and extradite DeCleve to the United States to stand trial.

On June 10, 2016 the Newport Police and FBI received word that DeCleve, now age 43, had been flown to San Francisco where he was arrested and held at the San Mateo County Jail.

On June 15, 2016 a Newport Police Detective and an FBI Special Agent flew to San Francisco to take custody of DeCleve. He was transported from San Francisco to Portland by plane, then from Portland to the Lincoln County Jail. He was lodged on the following Warrant charges: two counts Rape 1st Degree; Sexual Penetration 1st Degree; four counts Delivery of Controlled Substance to a Minor; Rape 2nd Degree; two counts Sexual Abuse 1st Degree; Sodomy 1st Degree. His bail was set at \$3 million.

CITIZENS' POLICE ACADEMY

The Newport Police Department conducted its fifth Citizens' Police Academy April 19 through June 21, 2016. Held biennially in even-numbered years, the Citizens' Police Academy provides an exciting opportunity for community members to learn more about the roles and responsibilities of local law enforcement. It is designed to give participants an overview of the various aspects of the Newport Police Department's function and operational procedures. Students learn, directly from our police personnel, such topics as Patrol Procedures, Criminal Investigations, Officer Safety and Defensive Tactics, Use of Deadly Force (with a Firearms Training segment), Internal Affairs Investigations, and more.

The Academy runs ten consecutive weeks. Applicants must be 16 years of age or older to attend, and must pass a background check to confirm eligibility. There is no cost to participate in the Citizens' Academy.

VOLUNTEERS IN POLICE SERVICE

We continue to be amazed by the commitment of the Volunteers in Police Service (VIPS) who serve this agency. 2016 proved to be the busiest year for the Newport Police Volunteers since its inception in 2008. A total of 5,003 hours, an increase of 1,488 hours over the previous year, were contributed to the city, equaling \$117,870.68 calculated by a federal formula of one volunteer hour valued at \$23.56. That amount exceeds the 2015 total by more than \$36,779.

NPD Volunteers were called out to assist with emergencies such as the City Center Motel fire and the NE 70th Street landslide. In addition, Volunteers assisted with many community activities, including the Coastal Classic Mud Bike Race, Loyalty Days Parade, Hatfield Marine Science Center Evacuation Drill, Lincoln County Volunteer Fair, Barrel to Keg Relay, Agate Beach Surf Classic, and the New Lincoln County Fair.

The Volunteer Program allows Newport community members to become involved in such Police Department activities as crash scene traffic control, disabled parking enforcement, emergency management, crowd control, traffic safety, nuisance vehicle monitoring, tourist assistance, administrative support, Municipal Court bailiff duties, and many more events.

We were so touched when we heard from Jacob Huertas' mother, who told us Jacob said he did not feel it would be right to celebrate his 8th birthday after so many police officers had been killed in 2016.
